## ABOUT THE AUTHORS

### **FRANK VAN RENSSELAER PHELPS #2**

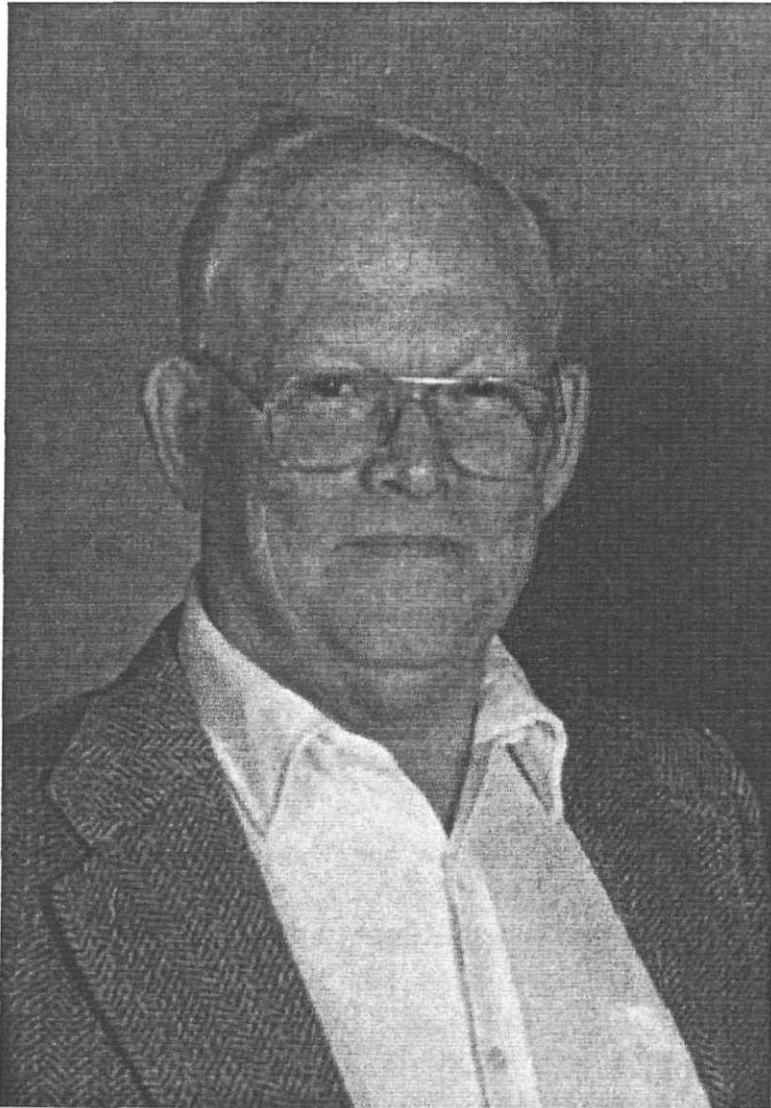

**Graduate of Trinity High School, NY, NY, 1936 and Hamilton College, Clinton, NY-BA-1940. Sgt in US Army WW11, England, Africa, Italy. Worked at Met. Life Insurance Company, NY City, etc. He compiles sport statistics and writes articles on them for encyclopedias. Frank has spent 45 years researching the Atchison Family Tree, traveling much of the country in search of data on it's various branches. Much of his genealogical findings have been quoted in books written by other authors. He has even been in my area in his travels. His search through Ohio records revealed the court documents of the Fielding Atchison estate battles, which revealed close to 100 of John Atchison's descendents and their location. He lives in King of Prussia, Pennsylvania. The oldest records are the result of Frank's searching.**

## **FLOYD BENJAMIN BENNETT**

**Graduate of Senior High School, Veteran's Division, Dubuque, IA 1948, Bayless Business College, Dubuque, IA, and Lincoln Extension Institute. Worked at John Deere Dubuque Tractor Plant, retiring in 1983, Long Time Union Officer, Cpl in US Army Air Force in WW11, Africa, Italy, and Corsica. Plays Ukulele. One of five brothers in Europe in WW11. He spends seven days a week pursuing the Family Tree. He compiled and published a book on his Maternal Grandparent's descendants. He worked from the present back to where Frank Phelps had progressed. This book is an account of that book and the Atchison Family Tree back to the 1600s**

**in America. He lives in Dubuque, Iowa. Frank and Floyd previously published "The Genealogy of John Atchison 1744-1803" (A mutual branch of the Atchison Tree.)**

## FOREWARD

This is an account of the data in my computer files. Another book currently available, covers the 1st seven generations of the Atchison Family Tree, in a 35 page article by Frank Phelps of King of Prussia, PA, who co-authored the Hardbound, Indexed version of that book. That book: "The Genealogy of John Atchison" has 426 pages. Documentation is shown throughout. Frank and I want no profit so, the book sells for \$ 24.30 Priority Mail included. I self published the book. Frank is again credited as co-author of this new book.

John Atchison, was a 4th generation Atchison. He, his eleven children and descendants are covered in that book. (About 325 pages of John's descendants) We presume he was a son of William #3 Atchison, as was Chloe Atchison-Chenoweth. Frank, descend from Charles, and I from Samuel, who were two of John's sons. This book contains 20 additional pages of John's descendants.

The bibliography in this book shows the sources of data obtained from well over 300 researchers, each having traced a certain branch or limb of the Atchison Family tree. Many are John Atchison descendants. Frank Phelps did the majority of research on the earlier Atchisons. I have added other people and although I am not as proficient as Frank, some are not proven by statistics, unless data is shown proving a connection.

At this time I have over 23,000 Atchison descendants in my computer files and many unproven people in my cabinet files.

On March 25, 1634, Leonard Calvert and the first English colonists arrived in Maryland. William #1 Atchison, must have been one of the earliest settlers. The 1st Lord Baltimore died and his brother Cecelius 2nd Lord was granted the right to Maryland. He appointed Leonard as the first Governor. The immigrants came on the ships the Ark and the Dove. Since the Pilgrims landed on 12/21/1620 at Plymouth Rock, our Atchisons date almost to the beginning of America.

Frank Phelps, has traced the Atchisons for over 45 years. Between we two and many others, many thousands of dollars and untold hours have been spent in Accumulating the data. We would like to have our efforts in many hands.

You should be able to follow the Atchisons from Maryland in the 1600s, through counties in Virginia, Georgia, Kentucky, Ohio, Illinois, Missouri, Iowa, Minnesota, and almost every state and in Canada, even Australia.

We are willing to exchange data with anyone.

Should you find mistakes or have corrections please inform me and include your sources. This, too is a self published book.

This means I have over 790 pages of Atchison Family Tree in my computer, when indexed. This is an up-to-date account of my records.

Study the notes under the various individuals, where others have provided data on twigs or branches of this Family Tree. Family Bibles, Obituaries, Wills, Census, Land Contracts, etc. in the notes shows proofs of the data, although many did not provide substantiating data.

There is a line of Atchisons going back to 1300, which claims to go to our William Atchison #1. Following are the lines shown to our William #1, who is a fourteenth generation Atchison according to this line. The numbers are the generations

1. Johnaanes Filius Ade, b. ca. 1300, Haddingshire, Scotland
2. William Aichensoune, b. ca. 1331, Scotland, son
- 3 John Aichensoune, son

(All that is known of William is that in a Patent and Close Rool of 1629 he  
is mentioned as having "Lost his sward about seven years ago)
- 13 John Acheson, b. 9/11/1583, Glasdrum, Argyshire, Scotland, d. 1655,  
Markethill, Aramgh, Ireland (m. in Ireland)

- 14 Unknown
- 14 Unknown
- 14 William Acheson, b. 1625, d. 1698/99, MD.

(Supposedly this is our William #1, but his father was in Scotland in 1629, so he would have had to have been born in Scotland. These dates would make him 63 years old when he died with three underaged children, "illogical")

No Proof has been shown of the connection with the above Atchisons, although the line is a Scottish one.

Included here for those who may find the proofs needed to verify this lineage.

Our conclusion, is that our William #1, was born ca. 1650, because his children were underage at his death.

# ATCHISON TRACES

## BY FRANK VAN RENSSELAER PHELPS

### JOHN ATCHISON, died 1803, Ross County, Ohio

The John Atchison who died in 1803 in Ross CO. OH was one of five Atchisons, possibly brothers, who associated with each other from the 1770s through the 1790s in Fauquier, Hampshire, and Hardy counties, Virginia, before settling permanently in different Ohio and Kentucky locations. The five were:

Henry, d ca. 1819, Darke Co. OH

John, d 1803, Ross Co. OH

Samuel, d ca. 1813, Pickaway Co. OH

Silas, d 1822, Mason Co. KY

William, d ca. 1813, Bath Co. KY

In 1765, a William Atchison, b ca. 1719, sold his homestead, bordering on Mattawoman Creek, which marked the boundary between Prince George's and Charles counties, Maryland. Later he and the above John, Silas, and William(Jr.) were listed among 1778 tithables in Fauquier Co. VA. During the 1780s, William (b. ca. 1719), Henry, Samuel, Silas, and William Jr. were living in that part of Hampshire Co. Va which became Hardy Co. Va in 1786. This William (b. Ca. 1719) was a son of another William, of Charles Co. MD and a grandson of still another William Atchison, of Prince George's Co. MD, who died in 1698.

The purposes of this paper are 1) to review the evidences connecting these particular Atchisons, 2) to speculate about their genealogical placement, and 3) to attract the attention of persons able to correct or supplement the material which follows.

\* \* \* \* \*

### Prince George's County, Maryland (PGC)

William Atchison's parentage and the identity of his wife are unknown. He died a widower in 1698 before September 6, date of the administrator's bond. His 19 April 1698 will, proved in PGC 8 Sep. 1699, appointed Wm. Hutchison executor "to take my children and all my worldly estate to do with as follows...my land called Bread and Cheese Hall to my son William and my personal estate...be divided into three parts for my three children, my sons William and James and my daughter Christian and likewise give Christian her mothers ring & bible and all her linnen at the day of her marriage or at age..."<sup>1</sup>

William also owned a tract, name unknown, in the now District of Columbia area, per grant patented for Walter Evans on 9 Dec. 1698. <sup>2</sup> No later trace of Christian has surfaced, unless she was Christian, wife of Robert Covert, who first appeared in PGC deeds in 1718.<sup>3</sup> He died in Charles Co. in 1757, survived by a later wife, Charity, and children Robert, John, Joseph, James, Isabella, Christian, and Videtta. <sup>4</sup>

**James 2 Atchison** (Wm.1), of PGC, b. ca. 1687, <sup>5</sup> married Mary Connor, daughter of Richard

Connor, per the latter's 12 Dec. 1721 will (MD. Cal. of Wills 17:149). James Atchason was taxed in 1719 in Piscattaway Hundred. The 1733 list of taxables for the Lower Part of Piscattaway Hundred named, in order, James Atcherson, William Atcherson, James Atcherson Jr. 6 & Ignatius Atcherson. James Sr.'s Dec. 1750 will, proved 11 April 1752, bequested to wife Mary, to James Jr. the tract "Atchison's Pasture." and personalty to children except son James. 7

**James 3 Atchison** (James 2, Wm.1), of PGC, was taxed in 1733 (above). On 22 Jan. 1742/43 Edward Pye, PGC, leased to him 1/2 of "Rose Common," 50 acres in Piscattaway, for 21 years 8 On 14 Dec. 1753 James Sold "Atchisons Pasture," 100 acres, with wife Elizabeth consenting, to Thomas Thompson of PGC.9

Ignatius Atchison (? James 2, Wm.1), Taxed in 1733 (above), perhaps another son of James 2 and perhaps the Ignatius, of PGC, who sold live stock 7 July 1766.10

See under "Charles County, Maryland" for possible descent from James 3 or from Ignatius ?3 Atchison.

The relationships of other Atchisons in PGC evidences to William 1 Atchison. if any, remain undetermined. Index to Register Prince George's County, MD. Piscataway or St. John's Parish 1689-1878, by Louise Joyner Hinton, typescript, 1961, mentions the children of John Ninian Atchison & wife Constant: Constant, b. 1 May 1709, Ann b 23 June 1712, Elizabeth b. 25 April 1715, and John b. 15Feb. 1721 (p.257); Cloe Atchison married Caleb Vernon 6 Dec. 1790 (p266); and Henry Atchison, baptized 1 March 1752, son of John & Ann Atcheson. Perhaps John Ninian Atchison was the John Atcherson taxed in 1733 in Piscataway Hundred Lower Part, with his name entered separately from the four Atchersons listed in consecutive order (above).

-----

A John Atchison whose 25 Feb. 1744/45 will, proved 4 March 1744/45, named wife Mary Ann and daughter Elizabeth Mcfall, who, as Elizabeth Macnamara, later sued the widow. Apparently Elizabeth, born of Margaret, an earlier wife, was John's only surviving child.11

A Marriage Reference Card at the Md. State Archives identified marriages licenses issued during the 18th century to four more Atchisons:

Family Line Publications, 1997, identifies Atcheson/Atchison soldiers/patriots with given names Edward, James, Jeremiah (ca. 1758-1778), and William. Probably Edward is the same man whose mother Susannah Atchison, a midwife, deeded feather beds, furniture, & livestock to him on 23 Nov. 1791, who recorded a stray mare 7 May 1791, and is mentioned in a 7 Feb. 1794 PGC deed.

### Charles County, Maryland (herein CC)

**William 2 Atchison** (Wm.1), b. ca. 1786.<sup>12</sup> He married Ann Cawood. He sold his inherited "Bread and Cheese Hall", 125 acres, located on Cabin Branch, a tributary of Western Branch, in PGC, on 12 June 1724 to Walter Evans for 850 lbs. of tobacco.

William 2 Atchison obtained patents in CC for 4 adjacent tracts bordering on Mattawoman Swamp, according to a Patent Card Index, MD State Archives and Charles County, Maryland Rent Roll of 1753 as rendered by TLC Genealogy, Miami Beach FL, 1998, pp. 66, 78, 79, 129:

<u>Surveyed</u>	<u>Tract</u>	<u>Acres</u>	<u>Location detail</u>	<u>Liber</u>	<u>Patent</u>	<u>Cert</u>

Willam 2's 26 Feb. 1733 will, proved 17 July 1734, named wife Ann executrix and bequeathed to his sons, probably in age order: John, Atchisons Hazard, 100 acres; William, Atchisons Woodyard, 100 acres and "One Iron pot which was my fathers"; James, Grubb Street, 86 acres; Joseph, Atchisons Strife, 19 acres; if "either of my three sons above named should decease without lawful issue that then their land I give to my son Joseph..."; and to my loving children two thirds part of my movable estate. /s/ William (his mark) Atchison. Witnesses, Jennet Bryun, Als Clubb, Edward(x mark) Roberts, John Wedding. (Cal. MD of Wills 21:140). Inventory 15 Jan 1734 by Hen Acton, Edw (X mark) Jenkins; kin, Thos Cawood, Wm. Cawood (Ind 20:244). Final Account 5 July 1735 by Execrs John Thomas & Anne his wife, sureties John Weddin, Tho Cawood, CC (Accts 6:230). Obviously, Ann, widow of William 2 Atchison, married John Thomas before 5 July 1755.

Probably all four sons were minors when their father died. William 3 was born ca. 1719,<sup>13</sup> which prompts guesstimates of John b. ca. 1717 and James b. ca. 1722. John Thomas was still paying the taxes on Atchisons Strife in 1750, which suggests that Joseph was still an infant in 1733 and born, say, 1731.

CC Debt Books, 1753 through 1774, indicate John Atchison taxed for Atchisons Hazard through 1762, William for Atchisons Woodyard through 1765, James for Grubb Street through 1761, and John Thomas and John Thomas Jr for Atchisons Strife additional years (Card File, CC Debt Book Listings, MD State Archives). According to CC deeds, all four sons sold their tracts, to wit:

12 9 May 1759 James Atchison, CC, planter, to Robert Cato, tailer, for 25 lbs. & for other divers good causes...Grubb Street, bounded by the brink of Piney Run near a line of...Atchisons Woodyard, containing ...about 86 acres. /s/ James (his mark) Atchison, Wit. Walter Hanson, Dan of St Thos Jenifer. Sarah, wife of....James Atchison, relinquished her right of dower... Rec. 12 Apr 1759 (sic).

27 Oct 1763 John Atcherson, CC, planter, to Daniel Jenifer, merchant, CC, for 700 lbs. crop tobacco, and for divers other causes, sells Atchersons Hazard, lying in CC near a tract belonging to Henry Acton called Aberdeem (sic) & adjoining another tract now in possession of William Atcherson called Atchersons Woodyard, bounded by the middle branch of Mattawoman Swamp...about 100 acres, /s/ John (his mark) Atcherson. Wit. Walter Hanson, Robt Horner. Rec. Dec 1763.

13 Aug 1764 William Atcherson, CC, son & one of the devisees of William Atcherson of CC, decd, to Thomas Smallwood, CC, for 9000 lbs. of tobacco & for divers other good causes...Atchersons Woodyard, granted to William Atcherson on 2

Sept. 1714 for 100 acres. /s/ William (his mark) Atcherson. Wit. J Jepburn, Jno Hepburn Jr Dec. 19 1764.

26 Aug 1772 Joseph Aitcherson, formerly of CC but now of Fairfax Co VA, planter, to Prior Smallwood Sr, CC, planter, for 10lbs & for divers other good causes, a tract/.on or near Piney Branch...19 acres, called Atchersons Strife, and next adjoining...100 acres granted to William Atcherson on 2 Sept 1714 called Atchersons Woodyard. /s/ Joseph (his mark) Atchison. Wit. Dan Jenifer, G R Brown. Rec. 24 Feb. 1773.<sup>14</sup>

Two more CC land deeds reconfirm the earlier sales of Atchisons Strife and Atchisons Woodyard. The first identified Joseph 4's son William 4 Atchison. The second located William 4 in Hampshire Co. Va in 1785, This one is the key link in this Atchison study. The following deeds are abstracted from Charles County, Maryland Records 1782-1786, by TLC, Miami Beach FL, pp. 6, 48.

7 June 1782 From William Atchison, son & heir...of Joseph Atchison decd, of CC, to Prior Smallwood, CC a tract...near Piney Run...19 acres, called Atchisons Strife...and that it being conceived that the title to the 19 acres was an estate tail and that...(nothing follows--pp. missing). Rec. 30 Nov 1782.

11 April 1785 from William Atcherson of Hampshire Co. VA, one of the devisees of William Atchison, late of CC decd, to Pryor Smallwood, CC, a son of Thomas Smallwood, late of CC decd, whereas sd Pryor Smallwood is now possessed from his father, of...Atchersons Woodyard, granted to William Atcherson decd on Sept. 2 1714, for 100 acres, which sd William Atcherson, son & devisee, by CC deed dated Aug 13 1764, conveyed to the aforesaid Thomas Smallwood and it being doubted that the title of sd William Atcherson, the devisee in the same land, is a fee tail estate...this deed therefore witnesses that the sd William Atcherson, the more fully confirm the right and title to sd land...has granted to the sd Pryor Smallwood...Atchersons Woodyard, sd William Atcherson appoints his friends Henry Acton Jr, John Ward & Anthony Row his true & lawful attorneys to appear before the justices of CC to acknowledge this deed. /s/ William (his mark) Atchison. Witness, Bayne Smallwood. Recorded 31 May 1785.<sup>16</sup>

Possibly Wm. 4 Atchison (Joseph 3, Wm 2, 1) was identical with (a) Wm. Etchenson, Revolutionary War soldier who married (License 23 Feb. 1797) Mary Weeding (b. 1773) & died in 1821, per her pension application, File R 3373, and (b) William Atchison, "Private, Militia, 26th Battalion, Capt. Wm. McPherson's Company...Private 1st Maryland Line, enlisted May 31, 1779..." (Revolutionary Patriots of Charles County MD, 1775-1783, Henry C. Peden, Jr...Family Line Publications, Westminster MD 1997, see book for primary sources cited.)

Other Atchisons listed therein were privates in Capt. McPherson's CO., except Jeremiah.

James: Took Oath of Allegiance, 1778; resident, Port Tobacco Upper Hundred: see below,

Jeremiah: Enlisted 30 May, 1777, 1st MD. line; died 23 Sept. 1778 Joseph Took Oath of Allegiance, 1778; resident, Port Tobacco East Hundred, 1778

Joshua: Resident, Port Tobacco Upper Hundred, 1778.

James is of particular interest, considered by some as a son or grandson of James 2 Atchison (James 2, Wm. 1) or of Ignatius Atchison, PGC. He was on a Warren CO, Ga. 1794 tax list & died there ca. 1806 or 07, An administrator's bond was issued 2 Mar 1807 for Winnyfred Atchison, widow, Charles Atchison & George Hargreaves. Purchasers at an estate sale 23 Mar, 1807 included the widow, Barton Atchison, Arnold Atchison, Charles Atchison and Winifred Atchison, presumably children of James, Barton, per family records, was born 22 Mar, 1775, Md., d. 12 Nov, 1847 Jefferson Co, IL. A younger son of James, Joseph Thompson Atchison, was born

8 Jan, 1789 in Charles Co. Md. & died 11 Apr, 1864 Hamilton Co, IL, per grave-stone inscription. Both Barton & J.T. have many descendants, It is thought James also had sons John, Henry, Samuel, & Jeffrey. One (unnamed) descendant says the names Ignatius, Samuel, Thomas & George Washington reoccur from generation to generation in various branches of the family.<sup>17</sup>

### **Cawood and Cox: Charles and St. Mary's Counties, Maryland**

**Stephen 1 Cawood**, d. 1676, the grandfather of Ann (Cawood) (Atchison) Thomas, received a warrent for 600 acres on 19 May, 1675. His subsequent patent for "Hull". 600 acres, located on the main branch of the Mattawoman Creek, was granted on 8 May 1676. Stephen Cawwood, however, was "lately slain in the service and defense of the Province" during the Susquehannock Indian War, between 7 Oct. 1675 and 16 May 1676 when the Maryland Assembly voted a pension to his widow Ann "Cawood" 7. Oct. 1675 is the date Giles Cole, CC made his will, "being desperately wounded by the Susquehannock Indians", in which he made bequest to Stephen Cawood. Stephen Cawood had first appeared in CC 4 Feb. 1670/71 when granted right to take up 250 acres of land.<sup>18</sup>

**Stephen 2 Cawood** (Stephen), his only known child, born say 1669, married Mary Cox, daughter of John and Mary Cox, of St. Mary's Co. The daughter's identity is proven in a suit, William Reeves vs. Stephen Cawood (Stephen, Stephen), occurring ca. 1740, concerning the tract "Leith," surveyed 4 April 1673 for John Cox, which confirmed that Mary Cawood & Ann Club, wife of John Clubb, CC were children of John & Mary Cox and that Stephen & Mary Cawood sold "Leith" 6 Apr 1696 to Thomas Reeves, the plaintiff's grandfather, John & Mary Cox then being deceased.<sup>19</sup>

Stephen 2 Cawood (Stephen 1) made his will 9 Sept. 1735 and bequeathed parts of "Hull" to wife Mary & son William and gave personal estate, at his wife's death, to his children Stephen, Thomas, William, Ann Thomas, Mary Willet, Hester Robinson, and Penelope Robey. After the death of Ann Thomas her portion was to be devided among her children (by Wm. 2 Atchison). The will was proven 15 Oct. 1735, per Will Book 21:439, ref. MD Cal. of wills v7 1732-1738, p 148. The widow Mary died before March, 1748.

### **Fauquier County Virginia**

Unfortunately complete lists of Fauquier tithables before 1778 are missing. Among the 1778 tithables, Northeast District of Hezekiah Turner, are John Atchison, William Atchison Jr & William Atchison Sr, with Silas Atchison (over age 16) in the latter's household. 1779 & 1780 tithables lists are missing. John appears in Edward Humston's Northeast District lists from 1782 through 1790 and, in 1791 with Charles Atchison (over age 16) in his household. James Atchison appears in the Northwest District of John Edmonds & John Ashby from 1781 through 1785.<sup>20</sup>

A James Atchison also is in Fauquier deeds as witness to sales of tracts on or near Goose Creek, in the Manor of Leeds. Assumedly, "Hatcher" in '72 is Atchison.

 Other witnesses: (1) John Clark, James Correy, Ann Clark, (2) Hezekiah Turner, Rich. McPherson, John Clark, (3) Elijah Glascock, William McDaniel, Mathew Adams.<sup>21</sup>

Two Fauquier marriage bonds involve Atchisons: John Rust & Elinor Atchison, bondsman William Blackwell, issued 28 Jan. 1771; and of extreme importance. Joseph Shipp Jr, son of Joseph Shipp (sic) & Letty Etchison, daughter of John Etchison, bondsman Daniel Routt, wit. William L. Buckley, Lewis Grigsby, issued 2 Oct 1785. The latter marriage occurred 6 Oct 1786, performed by John Monroe, Baptist minister.<sup>22</sup>

Leases granted in the Manor of Leeds in 1787 & '91 by Denny Fairfax, proprietor, require close attention. H.C. Groome, in Fauquier During the Proprietorship, Richmond, VA, 1927; reprinted, the Higginson Book Company, n.d., p.74, explains the usual duration of Manor of Leeds leases as "uniformly that of three lives, that is the life of the lessee and of any other two persons he chooses to name, in some cases the wife and one child, in others two children, and in others again, a child and a grandchild. Note those stipulated in the following leases:

<u>Dd. Book</u>	<u>Lot</u>	<u>Acres</u>	<u>Date</u>	<u>Lessee</u>	<u>During the Lives of the Lessee &amp; others</u>	<u>Recorded</u>

(the names underlined above were inserted before the deeds were executed,) witnesses: 9:347-Thomas Massie, John Norman, Elisha Warden; 9-487-John Edmonds, John Ashby, James Finnie; 483, 491- same 3; 10:407-Joseph Slaughter, Richard Routt, Lewis Grigsby. John Atchison, Lewis Grigsby & Richard Routt also witnesses leases to James Davis, 20 Aug'91, lives of 3 daughters, Rebecca, Anna & Ruth; & to Joseph Slaughter 20 Aug '91 (10:410), lives of lessee Rachel Slaughter, his wife and Nancy Slaughter, his daughter.

What relationship, if any, existed between John & Rebecca (\_\_\_\_\_)Atchison and the Routt and Grigsby families? Routts & Grigsbys were present in Fauquier from its founding in 1759. In Orange Co. Va. in 1746, a John Grigsby married a Rosannah Etchison according to records prepared by William Armstrong Crozier (not yet examined by this researcher).

John Atchison's lot #276, Manor of Leeds, was located in the foothills of the Blue Ridge Mountains near Ashby's Gap. It lay about 2 1/2 miles south of present Paris, Va and about 5/8 of a mile west of the intersection between Route 17 & 688. Mrs. Nancy Chappelaer Baird said in a 8 April 1977 letter to me, "If the Atchisons had any get up and go, they did not long tarry on that lease, as the land would be good only for grazing and timbering, or commercial orchards." They did not tarry long and soon were in Kentucky.

The roll of Captain Charles Porterfield's Company, 11th Regiment, Virginia Continental Line, 1776-1778, part of Colonel Daniel Morgan's famous "Morgan's Rifles" regiment, indicates that

Edmund Atchison and William Atchison enlisted on 15 March 1777 and that Edmund deserted on 6 April 1777. Probably this company was raised in Frederick Co. VA. but also drew from neighboring counties, including Louden & Fauquier. It appears that William was William 4 Atchison, as shown above.<sup>23</sup>

Edmund seems to be the same **Edmund Etchison** (1753/57-1843/45) who was born in Charles Co. Md., raised in Fauquier, moved to Rowan Co. N.C. when about 25 years old, served in the North Carolina Militia during 1779-1780, and on 12 Oct. 1832, successfully applied for a Revolutionary War Service Pension.<sup>24</sup> As a deserter, he may have fled Virginia to avoid punishment. Rowan Co. would have been a logical place to go because other Atchison/Etchisons already had settled there. A Henry Etchison was in Rowan in 1768. Rowan taxables in 1787 included Daniel, Edmund, Henry, James, and Walter Etchison.<sup>25</sup> Also, another James Etchison, (ca. 1776-ca. 1849), came to Rowan from Fauquier and had 13 children, seven of whom bore given names found among the children of the five Atchisons who are the main focus of this paper: Elijah, James, Jesse, John, Catherine, Letitia, & Silas.<sup>26</sup>

### Hampshire and Hardy Counties, Virginia

Samuel Atchison, Silas Atchison, and William Atchison witnessed a deed on 10 August 1779, recorded same day (Hampshire Deeds 5:60), wherein John & Prudence Williams, of Fauquier, sold a tract of 145 acres in Hampshire to George Fiddler, of Hampshire Co.<sup>27</sup>

Samuel Atchison, William Jr. & William Sr. appeared in early Hampshire Co. Personal Property Tax Lists and State Censuses, as transcribed & published, from 1782 through 1785. Apparently they lived in the part that became Hardy Co. in 1786. The entries in the tax rolls follow:

A different William Atchison also appeared in these same records. Apparently he resided in

territory which remained in Hampshire County after Hardy County was formed. His Hampshire Co. tax & census listings follow:

This researcher was informed in 1982 by Mrs. Naomi Webster, Arnold Kans., that in March 1779 at Patterson's Creek, Hampshire Co., a Chloe Atchison married a Jonathan Chenoweth and had children named Jonathan, James, Elizabeth, Samuel, Chloe, Delila, and, possibly, John. Ultimately this family moved from Hardy County to Muhlenberg Co. KY where Jonathan died about 1820 and Chloe after 1822. Assuming Chloe, the wife, was born, say 1760, this suggests strongly that she was a daughter of William 4 Atchison of Hampshire & Hardy counties.

The first two Hardy Co. Personal Property Tax Lists, 1786 & 1787, include entries for William Jr, William Sr, & Samuel Atcheson and Jonathan Chinoweth, (see 1787 Hardy Co. Va...Tax List, Netti Schreiner & Love, p. 817), which are, for the latter year, as follows: <sup>29</sup>

	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	
Atcheson, William, Jr	0	0	0	2	5	!= White males, 16-21

Atcheson, Samuel,	0	1	0	1	4	3= Blacks, under 16
Chinoweth, Jonathan	0	0	0	1	3	4= Horses                      5= Cattle

Samuel Atchison purchased 88 acres of South Branch Manor from Daniel Hole on 8 July 1789 & sold them to Jess Welton on 10 Dec. 1792, per Hardy deeds 1:310 & 2:525. According to The Ancestry and Descendants of Benjamin Thixton Scott, by William H. Rice, Elkins WV, 1984. a typescript, Hardy Co. Court records say Samuel & his wife Nancy, on 4 Sept. 1789, obtained a license to operate an ordinary. Some think Nancy was Nancy Catherine Lowery. The 1787 Hardy Personal Property Tax Lists include a Samuel Lowry in Randall's district.

Other Circuit Court Order Book entries refer to William in 1789 and Jesse, son of William 4, in '91 and '93, the year he served as constable.

An old paper dated 15 June 1790 reads, "We do assert that the time we delivered that hogshead of tobacco of Robert Cunningham to Harness Merchant in Baltimore...the price was a guinea per hundred such as passed their inspection. Signed, Elizabeth Cunningham...Henry Atchison...Joseph, (his mark) Jans,"<sup>30</sup>

Regarding Benjamin Thixton Scott, b. 24 Mar 1789 in Fairfax's Lot 60, upper survey, So. Branch Manor, the son of Sarah Thixton, unmarried, Mr. Rice says:

"the best indication of who his father was is a suit filed by Sarah Thixton...against Henry Atchison, who was ordered by the court to

appear 8 Jun 1789. But on 12 Oct 1789 the case was dismissed...while the reason for the suit or any of its details are not in the court record, there is little doubt that Sarah was trying to prove that Henry Atchison was Benjamin's father. The evidence, however, must have been insufficient since the court dismissed the case.

"On 5 Aug 1791 George Stump, Esq. filed suit against Silas Atchison on behalf of his daughter whom he was about to marry. While it is not known what evidence he submitted...he successfully prevented the two from getting married even though Elizabeth was nearly 20 years old.

1790 Personal Property Tax Lists include five Atchisons: William Sr. & Jr., Samuel, Silas, and Henry. Each also was taxed in '88 or '89, Henry being named as :Harry" in '89. Silas disappears from tax lists after 1790 and Henry after 1791. Samuel's entries continue through 1797. Jonathan, a son of Wm. 4, is included only on the '92 list. Jesse, another son of Wm. 4(Jr) doesn't show as a tithable but was named constable for 1793 by court order. William Sr. & Jr. appear through 1793 but are missing in '94. Thereafter, in '95, '96, & '97 only one William is present, but which is unclear. My guess is this is William 3 Sr. and he may have died in 1797, while William 4 Jr. moved to Kentucky about 1794-but this is pure conjecture.<sup>31</sup>

At this point in this paper it seems most probable that William 4, Silas 4, Samuel 4, and Henry 4 are sons of William 3, and that Chloe Atchison, who married Jonathan Chenoweth in 1779 is William 3's daughter. James 3 has dropped from our sight completely. James 3 might be the James found in Fauquier in 1772, '73, and '81-'85 but further trace is lacking. Joseph 3, of Fairfax Co., VA was dead by 1782, leaving a son William 4(Joseph 3, William 2,1). Fairfax Personal Property Tax Lists for '85 include a Clement Atcheson and a Leonard Atcheson, each with five whites in household; and, for 1787, a William, a Clement, and a Leonard, with a Walter in Leonard's household.<sup>32</sup>

### **The Blizzard Family History**

The following is quoted from A Biographical Sketch of the Life of the Ancestors, Descendants and Other Relatives of the Writer, Beginning with his Grandparents... a manuscript by Silas William Blizzard (1819-1918), completed in 1886.

"My other Grandparents, Silas and Ruth Atchison, were born, reared and married in Virginia. They last lived, before moving to Kentucky, in Hardin (NO! Hardy-FVP) County. As well as is now remembered they left Virginia about...1796. Grandfather when a young man took part in the Revolutionary War. It is not now remembered how long he was in the service. He enlisted when sixteen years old, and was doing service at the seige of Yorktown when Lord Cornwallis on the 19th day of October 1781 made surrender...Grandfather was of Scotch descent. I never knew the given name of his father, nor the maiden name of his Mother, nor where either of them was born and reared.

"It is remembered that he had three brothers and two sisters and we think there were others. The three brothers were named William, Harry and John, one of the sisters was named Sally. She married a Mr. Trumbo. Sally and the three brothers, as well as I now remember, all lived in Bath County, Kentucky, at a place called Blue Lick or Licking. I do not now remember of ever hearing the given name of the other sister. It is remembered however that she married a Mr. Shipp, and that they lived in Owen County, Kentucky, after their marriage.

"I have no recollection of ever seeing any of Grandfathers brothers and sisters. I presume I did when about eight years old. I well remember of being at Blue Lick with my parents when at that age...

"Grandmother Atchisons maiden name was Ruth Davis. She was of Welch (sic) descent, her father was a Welchman (sic). I never

knew his given name, neither do I know where he was born . Her mothers maiden name was Littlejohn. I never knew her given name, neither do I know where she was born. It is remembered that Grandfather had two brothers and three sisters. The brothers were named James and William, the sisters named Comfort, Phebe and Jane."

The brothers of Silas 4 named above were William 4, Henry 4 and John 4. They may have had a sister Sallie but the Sally who married a Trumbo was a daughter of William 4 and the Atchison who married a Shipp, was a daughter of John 4.

The Origin and History of the Name of Atchison, and Ancestry of William A. R. Atchison, by Walter K. Atchison, Portland OR, 1956, 50 p., typescript, utilizes Mr. Blizzard's information and presents descendant of Mr.W. K. Atchison, also a descendant of Silas 4,. He once told me he thought our Atchisons descended from the Prince George's & Charles Cos, MD families, but at the time, he knew nothing about the Maryland deeds which proved the connection.

Morgan Marion Atchison, b. 1897, a descendant of William 4, said the following about the Atchisons moving to Kentucky, in a 17 Oct. 1975 letter to me:

"I believe my people of the Atchison name came from somewhere in western Penn. I believe they left there during Shay's Whisky Rebellion during Washington's 1st administration. They went to Virginia and as soon as Virginia began to tax their whisky they moved to Ky and the old Still House Spring at the foot of Happy Hollow is still there-and that is where they began to make whisky and my great grandfather use to have barrels of it in his cellar-but when prohibition came all the Atchisons I knew were for it. Now Happy Hollow runs into Slate Creek...

Regarding the Whisky Rebellion, muster rolls of Pendleton Co. VA Militia, 6 Sept. 1794, indicate Capt. Wm. Pattons Company, from Upper South Fork District, included Silas Atchison & William Blizzard, whose children, Phebe & James subsequently married.<sup>33</sup>

### Kentucky

Bourbon Co. Ky 1792 tax lists include a Henry Eytcherson and a Sam Eytchison. Bourbon, founded in 1786, is the ancestor county of Bath (1811), via Clark (1793), & Montgomery (1797). A place called "Blue Lick or Licking" by Silas Blizzard was in the part of Montgomery which became Bath, and perhaps earlier, in Bourbon and Clark.

1795 Ky tax rolls show William 4 & Silas 4 in Bourbon and John 4 & Silas, as a tax delinquent from Bourbon, in Clark. John 4 was taxed in Clark again in 1796. His son Charles 5 was on the 1797 Clark tax rolls. The Kentucky Gazette, 28 Feb. 1797, says: "Silas Atchison found a horse in Clark County." Three of John 4's children were married in Clark County.<sup>34</sup>

<u>Bond Date</u>		<u>Married</u>
20 Sep. 1796	Charles Atchison & Rosanna Scott. Bondsman, Babtist Scott, father of Rosanna	23 Sep. 1796
20 Mar. 1797	James Davis & Rachel Atchison. Bondsman, Silas Atchison. Consent John Atchison	23 Mar. 1797
2 Nov. 1797	William Smith & Chloe Atchison. Bondsman Joseph Shipp. Consent, John Atchison	8 Nov. 1797
	Attested, Chas. Atchison	

Apparently John & Silas then left for Ohio. Silas returned about 1803 and settled near Mayslick, Mason Co., Ky. where he was taxed for 100 acres on Johnson's Fork of the Licking River. He died there and was buried in Mayslick Cemetery in 1822, Silas Blizzard said the reason for

returning from Ohio was that "it was very sickly in the part of Ohio where grandfather moved," i.e. Chillicothe, Ross Co.

William 4 Aitcherson was taxed in Bourbon in 1796 & 1797. His sons Jesse 5 and William Jr 5 also were taxed there in '97. That same year, a William Etchison, not further identified, was taxed in Mason Co.

William 4 is on Montgomery Co. tax lists with his sons Jesse & William Jr from 1801 through 1810; with son Jeremiah, 1803-1807, son Silas, 1807-1810; and possible son Nathan, 1807-1810. William 4 resided at Blue Lick from 1801 on, maybe earlier. His land bordered Slate Creek, a tributary of the Licking River, near where the village of Wyoming sprang up shortly.<sup>35</sup>

### Ohio: Darke, Ross & Pickaway Counties

Henry 4 Atchison, probably in 1797, moved from Virginia to the site of the present Miamisburg, Washington twp., Montgomery Co. Ohio with a Hole family. Henry & several Holes were taxed in Dayton twp. in '98 and in Washington twp. in 1807 & 1810-1814. <sup>36</sup> He was an early settler in the Swamp Creek settlement, Wayne twp., Darke Co. about 1815 or '16 and died there ca. 1819. The History of Darke County Ohio, Beers, 1880, says, "Ward Atchison was on the verge of the Black Swamp."<sup>37</sup> Is "Ward" an additional name for Henry? His widow, Mary, appears in Wayne twp. in the 1820 and 1830 Censuses, In the latter, she is shown to be in the 60-70 age bracket.

Colonel Nathaniel Massie, Deputy Surveyor for the Virginia Military District, founded Chillicothe, Ohio in August 1796. In 1797, he sold in-lot 84 there to John 4 Atchison; in '98, in-lots 102 & 250 to William 4 Atchison; and in '99, in-lot 255 & out-lot 14 to Fielding 5 Atchison, son of John 4 Atchison.

In 1801 (Entry date 3 May 1800) Silas 4, John 4 & Fielding 5 were taxed in Ross County. On 26 March 1802 William 4 Atchison, of Montgomery Co. Ky, sold in-lot 250 to Wm. Creighton for \$120, with Silas 4 a witness. (Deed bk 2:268). Thereafter William is found only in Kentucky.

The 10 August 1803 will of John 4 Atchison, witnessed by Matthew Thompson, James Grubb & Fergus Moor, and proved 25 Nov. 1803 in Ross Co. (Ross Co. Will Book a:20) is the landmark event of this genealogy. The original will, inventory, & administrator's bond are also located in Ross probate files. An abstract follows:

- 1) To beloved wife Rebecca, all real & personal property while she remains unmarried, subject to schooling, cloathing & raising my three younger children, Rebecca and Sally until age 18, and William until age 21.
- 2) At Death or marriage of wife Rebecca, real estate to be equally devided among four of my sons, Charles, John, Samuel, and William.
- 3) At death or marriage of wife Rebecca, personal property to be equally devided among all my sons & daughters: Charles, Fielding, John, Samuel & William and Letty Ships, Cloey Smith, Rachel Davis, Catherine Morris, Rebecca Atchison & Sally Atchison.
- 4) Appoint William Smith, my son-in-law, as my sole executor.

John Atchison's land, 103 acres, 100 poles, on the west bank of the Scioto River, in Wayne twp., Ross (now Pickaway) Co. comprises the upper part of Virginia Military District Survey #452, which totaled 440 acres, surveyed for Clement Biddle, patented in the name of John Brown and surveyed for John Atchison as part of William Smith's land. The balance of #452, 336 acres, 60 poles was granted to William Smith for \$500 by a warranty deed from John & Marguerite Brown, of Franklin Co. Ky, effective 1 Sep. 1803. Smith then conveyed a 100 acre parcel, sandwiched between his acres & those of John 4, to Fielding 5 Atchison, via a title bond on 10 July 1804.

On 21 Oct. 1805, the Browns conveyed their rights to the 103+ acres parcel, by warranty deed, to Charles 5, John 5, Samuel 5, and William 5 Atchison, of Ross Co. for \$300 (Ross Deed Bk 5:381). Rebecca Atchison, widow of John 4, was taxed in Ross from 1806 through 1810 and then died (likely) or remarried (less likely), because, on 3 Feb. 1810, her four sons sold the parcel for \$100 to their uncle, Samuel 4 Atchison. The grantors's wives who signed the deed were Mary, 2nd wife of Charles 5, and Rachel, wife of Samuel 5. The witnesses were George Atchison & John Ferguson. (Ross Deeds 9:323). Samuel 4 & wife Nancy sold this land on 28 Aug. 1813 to Aaron Sullivan, then husband of Sarah (Atchison) (Barr) Sullivan, presumed daughter of William 4 Atchison. (Pickaway Co. Ohio Deed Bk A:619).

Other Key evidences of Atchisons in early Ross & Pickaway (formed 1810 from Ross, Fairfield, & Franklin Cos.) counties follow:

The Scioto Gazette and Chillicothe Advertiser reported on 26 June 1806 that "Samuel Atchison & John Briney have opened a Butcher's shop in Chillicothe;" on 7 Aug. 1806, that they "have dissolved their partnership in the Butcher's business;" and, on 29 Oct. 1807, that "Samuel Atchison, living two miles below Chillicothe, has animals for sale." I think Samuel to be Samuel 4.<sup>38</sup>

### **Fielding 5 Atchison (John 4, William 3, 2, 1)**

Fielding 5 died 27 Jan 1814, age 37, per grave-stone, Owens-Campbell (later Crites Farm) Cemetery, Wayne twp., Pickaway Co. Ohio. His 24 Jan 1814 Will: witnesses, Thomas Mcdonal, John Pancake, Isaac Pancake; proved 24 Feb 1814; gave his gun to his brother Samuel Atchison; household furniture to wife Hannah Atchison; the value of other personalty equally divided between wife and orphan boy Levi James, to finance his schooling; and his 100 acre farm to "my beloved wife Hannah...as long as she may live and after her decease, to be equally divided among my surviving heirs," (Pickaway Will Bk 1:11). Note that if the widow remarried she still kept the real estate, contrary to the then prevailing will-making custom.

Disposition of the farm created the most remarkable proof of multiple family relationships, The widow, as "Anna Atikson," remarried on 29 Dec 1818 to Nathan Corey, of Ross Co. OH (Pick. Co. m Rec.: 2:2;49, 61). Nathan's will, 1 Apr 1842, proved 20 Sep. 1843 (Ross Co Wills D:259-261, left most of his estate to his children by an earlier marriage and bequeathed his movable property to Hannah and further stipulated:

"My beloved wife Hannah Corey will as soon as convenient, say within one year after my decease remove to her own farm left to her by her former husband, the entire proceeds of which she has enjoyed since her intermarriage with me."

The 1850 U.S. Census, Wayne twp. shows "Hannah Cover", age 71, b Va, living alone next to John Pancake, age 68, farmer, b Va. When Hannah died in Aug. 1853, all ten of Fielding's siblings had pre-deceased her, so Fielding's heirs now were the children of his brothers and sisters or their survivors.

Two heirs petitioned against the others for partition of the land and ultimately, on 31 Jan 1859, the property was sold for \$5175, to Josiah Renick, The full history of the suit appears in the Pickaway Clerk of Courts' Partition Record 5, 1855-1863, pp.380-397, & in a Court file, unindexed, located with great difficulty, titled, "Common Pleas 1859...File: Smith Warner & Elizabeth Warner v Charles Atchison and Others, Petition Filed 19 Apr. 1856...". The Court ruled that proceeds of the sale be divided into 36 equal shares and parts thereof for the children & some grandchildren of Charles 5 Atchison, Samuel 5 Atchison, Catherine 5 (Atchison) Morris & Rebecca 5 (Atchison) Pancake. Papers stated that John 5 (Atchison), William 5 Atchison & Letitia 5 (Atchison) Shipp died without surviving issue--true as regards John & William but incorrect in the case of Letitia, who had numerous descendants. Her omission is now unexplainable.

Altogether, the file material identifies 77 of John 4 Atchison's descendants and 25 of their spouses, located in Madison Co., Ohio. Brown, Scott, Greene & Pike Cos., IL., & Delaware, Jefferson & Des Moines Cos. Ia. This vast collection of facts, in itself, establishes a prime base on which to

build a genealogy of the descendants of John 4 Atchison.

**Speculation and Working Hypotheses**

The Atchison line through William 3 Atchison (William 2, 1) is proven by Prince George's & Charles counties, Maryland probate and land documents. Whether the five subject male Atchisons and Chloe (Atchison) Chenoweth were children of William 3 is not as readily resolved. Certain facts and factors, however, make such conclusion highly probable.

Many items which involving Silas 4 Atchison lend support to that contention, to wit:

- 1) Silas, age 16-21, in William 3's household, in 1778 Fauquier Co. tithables,
- 2) S.W. Blizzard's recollection his g-f Silas had brothers "William, Harry, and John."
- 3) Silas, Samuel 4 & Wm. 3 or 4 together witnessing a 1779 Hampshire Co. deed.
- 4) Silas, Wm.3 & 4, Samuel 4, and eventually Henry 4 mentioned in Hampshire and Hardy Cos. records during the 1780s.
- 5) Silas a bondsman when John 4's daughter Rachel married James Davis in 1797 in Clark Co. Ky.
- 6) Silas preceded, accompanied or followed John 4 & Samuel 4 into the Chillicothe, OH area before settling permanently in Mason Co. KY.
- 7) Silas witness to the 1802 deed whereby Wm. 4 sold lot 250 in Chillicothe.
- 8) Henry 4 named his eldest surviving son Silas, b. ca. 1787.
- 9) Silas Littlejohn 5 Atchison (Silas 4, etc.), in 1826, married Wm. 4's granddaughter, Sallie (Atchison) Smith.

Among other evidences of close associations between the "brothers", possibly the most notable was the 1810 deed whereby Samuel 4 purchased John 4's farm from four of John's sons.<sup>39</sup>

The five "brothers" settled in Ohio and Kentucky locations within a geographic circle whose diameter was less than 150 miles. They died within a 19-year period: John, 1803; William, ca. 1813; Samuel, 1814; Henry, ca. 1819; and Silas, 1822.

How contemporary were they? Silas, age 16-21 in 1778 and age 16 when he joined the army sometime from 1776 to 1781, apparently was born no earlier than 1759 and no later than 1762. Obviously John & William were older than Silas. If each was 24 at marriage and 25 at birth of eldest child, then John was b. ca. 1744 (child Letitia b. 1769) and William ca. 1745 (child Jesse b. say 1770). Samuel was b. say 1759 (supposed eldest child, Betsy, b. ca. 1784); and Henry b. ca. 1762 (eldest child Silas b. ca. 1787). Certainly, William 3, b. ca. 1719, could have had children born during an 18-year span.

The following chart summary utilizes the few actual & approximate dates known and the guesstimates above:

	<u>born</u>	<u>married</u>	<u>1st ch. b</u>	<u>last ch. b</u>	<u>then age</u>	<u>span of births</u>	<u>age at death</u>
John	1744	1768	1769	1794	50	25 years	59
William	1745	1769	1770	1790	45	20 years	68

William #1 ATCHISON

Silas	1758	1789	1790	1816	58	26 years	64
Samuel	1759	1783	1784	1804	45	20 years	60
Henry	1762	1786	1787	1811	49	24 years	57

The pattern of family cycles represented here is not inconsistent with those considered within a normal range during our colonial period.

Contrary to all the foregoing early Maryland & Fauquier Co. Va. Atchison data, some belief exists that John 4 was of a Stafford Co. Va. family. In Old Stafford County, Virginia: Overwharton Parish 1720-1760, by Wm. Boogher, 1899, appears a 20 Oct. 1742 marriage of Adam Atchison to Elizabeth Byram & births of their children: Mary, 11 April 1744; John 9 Jan 1746; Lucy 26 Dec. 1747; Rosinah 6 May 1750; Jean 13 April 1752; & Nathaniel 1 Feb. 1756. The 1787 Personal Property Tax Lists, Stafford Co. (Netti Schreiner-Yantis, 1787) shows an Amos Atchison, a John Atchison & a Nathaniel Atchison. Each have one or two males age 16-21 in household. If John, b 1746, is John taxed in 1787 in Stafford, then he cannot be John 4, then taxed in Fauquier.

The Stafford County Atchisons may not be ignored, however. There were other Atchisons there earlier & probably later, The daughter Rosinah (above) brings to mind the Rosannah Etchison who married John Grigsby, in Orange Co. Va. in 1746. We need concentrated search in the nearby counties, especially Prince William, Loudoun, Stafford, Fairfax, Culpepper, and Frederick for Grigsbys, Routts, and Atchison/Etchisons, up through the 18th century.

\* \* \* \* \*

The surviving children of John 4 & Silas 4 have been fully identified. Those of William 4 & Henry 4 are known, although some uncertainties still exist. Samuel 4's children have not been identified at all except for William 5 (Sam'l 4, etc), the youngest, born 1804. It seems most probable Samuel 4 & wife Nancy, married during the 1780s, had other offspring and that maybe these were Atchisons found in Ross & Pickaway Cos. Ohio references during 1800-1820, namely: Peirce (Pearce), Solomon (Saul), George, Nancy, Sarah, & Elizabeth (Betsy).

A section regarding the family of Samuel 4 follows later. In reviewing it, please note carefully that I have found no proofs that these six or a John, a Mark (Marcus), or a Samuel are Samuel 4's children. Evidence of them is presented only as a working hypothesis in hope that ultimately the relationship will be proven or disproved in each case.

Apparently all these Atchison males, except William 5, were gone from Pickaway & Ross cos. by 1820 and only Nancy, of the females, remained & died in central Ohio. The men gravitated to the Mississippi River Valley and the states of Missouri and Illinois, where most of them associated with steamboat navigation on the upper Mississippi.

## WILLIAM ATCHISON

William Atchison, son of William Atchison (b.ca.1719), m. say 1745, probably in Charles Co. Md., d. ca. 1814, Bath Co. Ky. His 20 Jul 1811 will, proven 13 Jun 1814 (Bath Wills 2:11), named wife Sarah & youngest sons Henry & Elijah, which implied that the older children were all well provided for. As mentioned above, he may have been the Wm. Atchison who enlisted 15

Mar 1777 in a company of Col. Daniel Morgan's riflemen. The Fauquier tithables list him as William Atchison, Jr. together with Wm. Sr., Silas, age 16-21 in Wm. Sr's household, and John Atchison. He appears on Hampshire Co. Va tax rolls, 1782-1785 and on Hardy Co. Va. rolls, from 1786 through the early 1790's. He is taxed in Kentucky on tax rolls of Bourbon Co. in 1795, '96, & '97, in Montgomery Co. (created from Bourbon), 1801-1810, and in Bath Co. Ky (created from Montgomery), 1811-1813, succeeded for one year only, 1814, by his widow "Sally." Possibly he lived on the same land from 1795 until death, acreage bordered on Slate Creek, a tributary of the Licking River, originally entered & surveyed for Alexander D. Orr. William also bought lots in Chillicothe, Ohio in 1798, one of which he sold in 1802, being then of "Montgomery County, Kentucky." He may also have been the William Atchison who was mentioned as a pioneer settler, in 1798, of Wayne twp., Ross Co.(part which became Pickaway Co. in 1810). His children, surname ATCHISON, were as follows:

- i. Jessie, b. say 1769, the eldest son (per a 15 Sep 1839 letter from Elijah, the youngest son, to their brother Henry, "...the loss of our oldest brother, he is gone..."). **51** Jesse's 29 Mar 1839 will, proved 13 May 1839 (Bath wills D:77), named dau. Ky in 1803, '05, & '07, and in Fleming Co. Ky 1808 & afterwards. The names & birth dates below for J. & A.' children come from T. C. Atchison's notes, surname ATCHISON:

(This family needs work. It is hoped researchers who see this paper will respond.)

v. Silas, b. ca. 1788, Va, son of William 4, d. 1851, m. to Mary\_\_\_\_, b. ca. 1789, d. probably before 1860 Census. Silas was taxed in Montgomery Co. Ky in 1897-1810, & thereafter in Bath & Fleming Cos. Ky. His 8 Nov 1851 Will, proved 22 Dec 1851 (Fleming Co. wills I-242), bequeathed to wife Mary, son Thomas (the farm), and unmarried daus. Malinda & Louisa. In a Fleming Co. Deed (34-1), on 7 Apr 1853 the heirs of Silas Atchison, to wit. Jeremiah Atchison, Sarah Atchison, William Atchison & Jenetta Atchison conveyed to Thomas Atchison a 150 acre tract bordering on the north side of the Licking River in Fleming Co. (It appears to this researcher that the heirs are four older children of Silas & not two married couples.) Using '50, '60, & '70 U.S., Censuses, the children of Silas & Mary are projected as, surname ATCHISON:

1. Jeremiah.
2. Sarah, b. ca. 1816, m. 1 Apr 1847 Fleming Co. to George Barber. Ch: Wm., Jennetta, Louisa, Lewis.

vi. Nathan or Jonathan, possibly a son of William, Jr. Appears on tax rolls of Montgomery Co. Ky, 1807-1810 next to Jeremiah, Silas & William; on Bath Co. rolls, 1811-1816 for 45 acres located on Flat Creek. The 1818 Bath tax list shows his widow Kesiah, for the same property, originally entered for John Fowler. His 7 Sep 1816 will, proved 14 Jul 1817, bequeathed to beloved wife Keziah, sons John & Nathan Allen Atchison, his child, Lanny Vice, & 3 other daus. Elizabeth, Jamima, & Ann. Wit. John Arnett, Jeremiah Patrick, & Wm. Martin. He died between 8 Feb 1817, the date he sold land on Slate Creek to John Arnett & 14 Jul 1817. vii. John, (listed only because Walter K. Atchison thought him a son of Wm., Jr. & because, in 1818 a John Atchison was taxed in Bath Co., in Sander's Company, as was Kesiah. Possibly he was the son mentioned in Nathan's will & the male age 10-16 in Kesiah's household, 1820 census.

viii. Henry D., next-to-youngest son of Wm., Jr., b. ca. 1790-1794 (per U.S. Censuses 1810 Montgomery, 1830, '40 Bath Co.), d. 1844, m. Dec 1815, Fleming Co. Wallace, in 1850, went to California to join the Gold Rush but ceased writing to his wife & never returned to his home. In Sep 1865, wife Mary & daughter Euphemia moved to Denver, Colo. In a 22 Dec 1867 letter from John F. to his sister Melvina Webster, he related that a son of a friend "had seen Wallace and talked with him since the War and that he was living somewhere above Sacramento on the America River and that he had a family and was doing well but (would) not tell his post office."

- iv. Elijah, b. say 1793, youngest son of William, Jr. per Wm's will, apparently age 21 when taxed in 1814 in Bath Co.; taxed there again in '15, '16, '17. On 27 Aug 1817 he & his brother Henry deeded the land inherited from their father to their brother Jesse, Henry & Elijah signing, their wives Nancy & Mariann making their marks (Bath deeds B:116). On 1 Oct 1817. Elijah sold town lot 198 in Owingsville to James Young (Bath deed B:311). Per Ministers Marriage Returns, Bath Co. Bk 1:11, Elijah was married on 12 May 1814 by John Rice to Polly Rogers, probably the dau. of Samuel Rogers, whose will Elijah witnessed on 16 Feb 1814 (Bath wills C:11). Elijah is absent from the U.S. 1820, Bath Co. census but Polly is listed with 2 boys & 1 girl

less than age 10. The presumption is that Elijah has deserted or divorced his wife And left the area.

In a 15 Sep 1839 letter from Louisville, Ky to his brother Henry, Elijah says he tried to visit members of his father's family in 1835 & before but found himself unwelcome.<sup>51</sup> I guesstimate Elijah did desert his wife & children. Clarence Atchison, Junction,

Tex., a descendant of Wm. 4 had info. Elijah went to New Orleans & prospered. Apparently he returned to Kentucky during the 1830s. The 1840 U.S. Census, Jefferson Co., Ky lists Elijah F. Atchison as a head of a household with the following: white males, 1 un 5, 1 5-10, 2 10-15 & 1 40-50; white females, 1 5-10, 2 10-15, 1 15-20, 1 30-40 (presumably a wife, as his letter says ("my lady is not at home.")), 20 slaves & 7 free colored. Tax lists from 1841 & 1842 indicate he owned 242 acres on Beargrass water course worth \$10,000. Possibly the John M. Atchison in the '42, '43, & '44 tax lists for Jefferson Co., like Elijah, in the Northern District, over age 21, is a son of Elijah. This also suggests Elijah died about 1842 or 1843

11. Mary Elizabeth, b. \_\_\_\_\_, d. 29 Jun 1865, m. \_\_\_\_\_ Cofer. (from notes of Theodore C. Atchison, as relayed to me by Clarence Atchison, without further elaboration.)

### **SAMUEL ATCHISON ( d. 1814, Pickaway County Ohio )**

Samuel Atchison, b. say 1759, m. say 1783 to Nancy (? Lowrey), d. 1814, in Pickaway Co. Ohio. He appeared in Hardy Co. Va. records from 1788 to 1791 & is in Bourbon Co. Ky 1792 tax lists, as related earlier in this article.

By 1806, probably earlier, he was living near Chillicothe, Ohio; and, in 1810, acquired John 4 Atchison's farm from John's sons, with George Atchison a witness. Samuel died by June 1814 when Pickaway Court dropped suits involving him because of his death. His 16 Nov 1813 will, proved 13 Nov 1814, witnessed by Francis Nichols, Theodorus Seabourn, & Daniel Seabourn, left all to wife Nancy, the executrix, and mentioned no one else. Nancy then m., license date 27 Dec 1817, in Pickaway, to Thomas Wilson.

With the exception of William, the persons named below can not be proven as children of Samuel on present factual knowledge. It is reasonable to think Samuel & Nancy had children, perhaps many, during 1784-1800 and some evidence of them would surface during the early 19th century years in Ross & Pickaway Cos. Clearly those listed below were not offspring of John 4 or Silas 4 and unlikely as children of William 4 or Henry 4 - so, by elimination and logic, they are placed here. With so little really known about the Atchisons, however, possibly their true relationships may be very different, particularly in the cases of George & his supposed brothers, John, Marcus, & Samuel.

With the foregoing recognized, the children of Samuel & Nancy, surname ATCHISON, are thought to be the following:

i. Sarah, b. ca. 1784, Va., m. (1) by 1805, John Barr, who d. bef. 11 Aug 1806 when Sarah Barr & Samuel Atchison were aptd. John Barr's administrators; (2) 12 Feb 1807, to Aaron Sullivan (Ross m. A:97), who d. 11 Jun 1820, age 49, bur. Owens-Campbell Cem., Wayne twp, Pickaway Co., Ohio; (3) 31 Mar 1829, Pick. Co. to Robert Campbell, who d. 24 Mar 1848 (as stated in a following section about Nancy Atchison). Sarah then moved to Missouri. The 1850 U.S. Census for Mt. Pleasant twp, Scotland Co., Mo. shows her, age 65, b Va., living with William Barr 45, b. Ohio & Nancy, 29, b Ky. (In a DAR typescript, "Pickaway County Gravestone Inscriptions," Mrs. Orion King, a compiler, indicates Sarah as a dau. of Wm. Atchison, but in view of Samuel being a co-administrator with her in settling her 1st husband's estate and strong associations with Pickaway residents, I think her more likely a dau. of Samuel.)

Her child, surname BARR:

1. William, b. ca. 1805 Ohio, m. 5 Oct 1849 to Isabel Cruseh (Scotland Co. m 1:3), apparently called "Nancy" in the 1850

census.

Her children, surname SULLIVAN:

2. Eliza, b. 8 Feb 1808 Ross Co., d. 6 Apr 1876 Wayne twp, Pick. (d 1:49), g.s. Forest Cem., Circleville, Ohio; m. Co., gs Forest Cem.
  3. Mary, b. ca. 1809 Ohio, m. 23 Jan 1827, to Joseph Kinnear (Pick m 2:242, 292), b. ca. 1803, d. 18 May \_\_\_\_, age 72, bur. Jefferson Cem. Pick. twp. Res, 1850 Census, Darby twp. Pick.
  4. Elizabeth, b. 11 Jun 1812 Wayne twp, d. 3 Feb 1896 Wayne twp, gs Forest Cem., m (lic.) 21 Jul 1832 (Pick m 3:21) to Wm. Fleming, b. 31 Jan 1809 Wayne twp, son of John & Elizabeth (Moore) Fleming, William d. 9 Oct 1894, gs Forest Cem.
  5. Jane, b. ca. 1818, m. 8 Sep 1835 (Pick m 3:140, 188) to Thomas Campbell, b. ca. 1807 Ohio, son of Joseph & Mary Eliz. (Peters) Campbell. Thomas, who d. 1 Apr 1853, age 45, g.s. Owens-Campbell Cem., was a brother of Robert (see other mentions).
  6. Anne Mariah, a minor on 19 Mar 1829, m. 6 Nov 1843 to David Harrison (Pick m 4:86)
  7. Sarah, a minor 19 Mar 1929, m. 9 Dec 1844, to Joseph Hanson (Pick m 4:109)
  8. Samuel, b. 25 Apr 1814, d. 4 Dec 1880, gs (Scotland Co., Mo. Cem. Inscriptions, v.3, p.799). m. 6 Jan 1846 to Philadelphia Price (m Recs of Scotland Co., Mo. 1841-1867, comp. Eugene Dodge, Memphis Mo., v. 1, p. 54). Child: Joseph S., b. 5 May 1870, d. 28 Aug 1893 Scotland Co. (p.799).
- ii. Elizabeth "Betsey", b. ca. 1785, Va., m. 2 Jul 1812, Ross Co., Ohio to Martin Armstrong (Ross m A:49), b. ca. 1786, Pa. During the War of 1812, Captain Martin Armstrong commanded a company of Ohio militia, 22 Aug 1812-22 Feb 1813 (Pension File W.O. 5520, W.O. 2225). File shows Martin age 66 in Vermillion Co., Ind. on 2 Nov 1850; age 70 in Dallas Co., Iowa in 1855 & Elizabeth age 86 on 8 Jul 1871 in Redfield, Dallas Co., where Martin d. Dec 1864. The 1850 Census for Clinton twp, Vermillion Co., Ind. (p 14) records Martin, farmer, age 63, b. Pa. & Elizabeth, age 58, b. Va. and (p.9) Elliott Armstrong, farmer, age 32, b. Ohio with Mary Ann, age 26, b. Ohio, & John, age 1, b. Ind. (Note age discrepancies between sources). No further traces to date. Elliott possibly a son of Martin & Elizabeth.
- iii. George, b. ca. 1788, witnessed the 1810 Ross Co. deed recording the sale of John 4 Atchison's farm by his sons to Samuel 4 Atchison. It is a guesstimate this is the same George who became a steamboat captain on the Upper Mississippi River & a builder of steamboats. That George d. 25 May 1864, at Wellsville, Mo., age 75, according to his death certificate, City of St. Louis Reg. No. 296, 1864. St. Louis Directories, 1845-1859, show him "a steamboat captain", residing at the corner of Fifth & Olive streets. The 1850 U.S.Census, for St. Louis 4th Ward lists him as G. Atchison, age 67, b. Va., together with his wife, Amaranth, age 54, his son, Geoge W., 33, his wife Mary, 26, and children Louisa 9, George 7, & Henry, 1 who d. 4 Aug 1852, at St. Louis, age 11 months. Amaranth d. age 60, res. Locust St., (Missouri Replublican), 4 Sep 1855

Gould's History of River Navigation, pp.605-606, calls George, Sr. "One of the pioneer boatmen on the Upper Mississippi," apparently from 1830 on, and states he "had three brothers, John, Mark, and Samuel, all of whom were engaged on the river and under his influence and assistance," Steamboats he commanded (some he built) included the "Irene," the "Iona," the "Glaucus," the "Governor Dodge," the Amaranth," the Missouri Belle," the "Lynx," the "Golden Era," and the "Highland Mary."

His only child (per Gould). surname Atchison was:

1. George W., b. Oct 1817, d. 10 Feb 1851, St. Louis (d.cert. FF#65, 1851), m. 25 Apr 1839, at St. Louis, (2:161), to Marie Papin. b. ca. 1825, who m (2) Dr. Gratz Moses. Children of Geo. W., Jr & Marie (see 1850 Census mention, above).
- iv. Nancy, b. say 1790, d. by 1820, m. 21 Apr 1808, probably as his 2nd wife, Robert Campbell, b. 7 Feb 1787, d. 24 Mar 1848, age 61-1-17, g.s. Owens-Campbell Cem., son of Joseph & Mary Elizabeth (Peters) Campbell. Robert m (1) Polly, dau. of Robert Parish, of Ross Co., Ohio, who d. bef. 21 Apr 1808 & had children Joseph & Isabella, & Robert. Robert m (3) Sarah (Atchison) (Barr) Sullivan (see section i above). 1852, papers in Box 141. As said in the earlier Ohio part of this paper, Solomon had altercations with the law in 1817 & 1818 and his plea as an insolvent debtor in 1819 was denied by the Pickaway court. Probably he left the area about that time. On 14 Mar 1845 Solomon & Martha bought 88.23 acres in Central twp., St Louis Co., Mo. from Samuel Atchison & wife Louisa and, on 24 Sep 1845, sold it to Christopher Sidloff; and participated in other St. Louis land deals in 1848 & 1850. Pierce served as a Sgt. during the War of 1812; pled guilty to assault in 1818; and probably left the Ross/Pickaway region shortly afterwards. The suit for partition of Robert Parrish's land in Ross Co., Ohio places Pierce in Missouri and indicates Elizabeth had died without surviving issue. Pierce was a steamboat captain on the Upper Mississippi and commanded such boats as the "Iona" and the "Golden Era."

From the mid-1830s until his death he commanded such steamboats as the "Lynx" & the "Highland Mary," engaged in the Galena & St. Peter's trade. On 15 Aug 1843, John & wife Emily conveyed property in St. Louis to George W. Atchison, Sr. His widow was born ca. 1809 per U.S. Census 1850, Galena. ## *Descendants of William #1 Atchison*

### *Generation No. 1*

1. WILLIAM #1<sup>1</sup> ATCHISON was born Bef. 1650 in MD, and died April 19, 1698 in Prince George CO, MD.

Notes for WILLIAM #1 ATCHISON:

#### ATCHISON ANCESTORS

On MARCH 25, 1634, Maryland was founded by English colonists sent by SECOND LORD BALTIMORE.

There are ATCHISON Researchers who have presumed we originate with a JOHN ATCHENSOUN, born about 1440, in LETHAM, FORFARSHIRE, SCOTLAND. By the 3rd generation the name is spelled ACHINSONE then, ATCHESON, and ACHESONNE. About the 14th generation the spelling ATCHISON starts. At the 16th generation, AITCHISON is found. One man added a "Y" to the spelling in 1860. ATCHINSON is a common spelling found in data.

I have found the following variations in spelling the name: ERCHISON, HATCHISON (Our SAMUEL in the 1820 Census of MADISON COUNTY, IL.)

ETCHISON, ATKSON, ATKISON, ATDERSON, ATCHISON, ATCHESON, EYTCHEISON, ATICHISON, ADKINSON, ATCHINSON, ARCHESON, ATCHIGSON, AICHENSOUN, ACHINSONE, ATCHESONNE, AUTCHISON, ATTCHASEN, ATERSON, ATCHISSON,

A lack of ability to spell by Census Takers, and Record Keepers, brought about most of these variations. Of course the family members in many documents are signed with an "X", so they could not tell how the names should be spelled, so even from one Census to the next the spellings vary, although it is the same person. First names have similar mistakes.

FRANK VAN RENSSELAER PHELPS, of KING OF PRUSSIA, PA, has researched our line of ATCHISONS for over 45 years. He has collected two feet of data, to which I have added at least that much more. FRANK'S Theory of the line of secession follows from these first families: HENRY, JOHN, SAMUEL, SILAS, AND WILLIAM ATCHISON, who seem to have a close relationship from MD, through VA, and BOURBON, MASON, CLARK, BATH, and MONTGOMERY COUNTIES in KY, and ROSS, and PICKAWAY COUNTIES in OH.

The counties in VA where they are found, include: FAUQUIER, HARDY, AND HAMPSHIRE, AND FAIRFAX.

KING HENRY V11 OF ENGLAND, Reigned from 1509, to 1547. During his REIGN, he dispatched ATCHISONS to IRELAND to act as overseers of lands there. Descendants of those ATCHISONS would be of SCOTCH-IRISH descent.

The bulk of the IRISH Immigrated to PA, in AMERICA, from about 1729 to 1735, and after.

Since our line starts in MD, we are of SCOTCH DESCENT.

#### THE TENTATIVE ATCHISON DESCENT AS FRANK PHELPS HAS RESEARCHED

We will start with a chart made by FRANK PHELPS, then proceed with data collected about the persons in the chart. the first of whom is WILLIAM ATCHISON.

#### WILLIAM ATCHISON'S WILL

His WILL of 4/19/1698, Proved 1699, Prince George's Co, Maryland, reads as follows;

WILLIAM ATCHISON, being pained in my body, but sound in memory & judgement, appoint Mr WILLIAM HUTCHINSON to be Executor, administrator and carrier to take my children and all my worldly estate to do with as following; my land, called BREAD & CHEESE HALL, to son WILLIAM, and my personal estate, after payments of my debts, be divided into three parts, for my three children; my sons WILLIAM & JAMES & my daughter CHRISTIAN. He will give her her mother's ring and Bible, and all her linen at the day of her marriage, or attaining of age. I desire my executor satisfy himself at his own discretion for his trouble. (SIGNED) WILLIAM ATCHISON. Witnesses; JOHN WILLSON, 9/6/1698 the above executor, Swore before me; JNO HAWKINS. JOHN MOTRA, 9/8/1699, WM TANEYHILL. Swore to WILL, JOHN THICKPENNY. WILLIAM TANEYHILL, WM HUTCHINSON, executor. From: "WILLS 6, FOLIO 348, at HALL OF RECORDS ANNAPOLIS, MD."

NOTE: Because of use of calendars at that time, the year might be 1698/99, by today's calendars.

PRINCE GEORGE COUNTY, MD, is directly east of the present DISTRICT OF COLUMBIA and WASHINGTON D.C., about 40 miles from CHARLES COUNTY, MD.

Researchers have this William born from 1838 to 1850.

(One researcher has that three brothers came to America, one killed by Indians, one stayed, and one went back to the old

country. Below.)

IT HAS BEEN WORTH THE EFFORT. THIS GENEALOGY HAS BECOME AN OBSESSION WITH ME. NO GREATER DETECTIVE GAME HAS EVER BEEN INVENTED. COST HAS NOT DETERRED ME. PROFIT COULD NEVER BE REALIZED, UNLESS EACH BOOK WOULD SELL FOR \$1,000. MY FIGURES SHOW OVER \$26,000 SPENT FOR EQUIPMENT, SUPPLIES, TRIPS, AND A MULTITUDE OF EXPENSES.

#### JOHN ATCHISON

JOHN ATCHISON, born ca 1744, Md, died 1803, ROSS COUNTY, Ohio. (We can presume he died in NOVEMBER of 1803.)

He lived in Md, Va, Ky, and Ohio, at different times, and is first documented in Fauquier CO, Va, on 3/26/1781 & again on 5/28/1782, for collecting Tithes on Wolves' Heads, & On 10/6/1786. Then, on the Tax List for 5/14/1787. That List shows: no white males above 15 & under 21, 4 horses and 7 cattle.

His daughter: LETITIA married JOSEPH SHIPP, JR., in Fauquier CO, Va. on 5/14/1787.

He is on Tax Lists in 1783 to 1785.

1783, TO 1785, He is recorded many times for tithes for Wolves Heads, & in a 1782 Poll.

Then in 1791, he leased land from a Denny Fairfax of England, Paying 52 Shillings a year for rent. Supposedly, that land was not very good. The land was 206 acres, lot 276, of the Manor of Leeds, Castle of Kent, Great Britain, 2 1/2 miles south of Paris, Va, by the Blue Ridge Mountains in the N.W. corner of Fauquier County.

A list of Atchisons in Va. shows James & John as well other Atchisons in Fauquier CO. ( EDMUND ETCHISON, claims to have gone from that county to Rowan CO, N.C. just before the Continental War started.) The other Atchisons are found in other Va. counties in subsequent years, all with connections to Maryland.

On 12/31/1792, more Wolf's Heads are paid in tithes to John.

He moved to Kentucky about 1795, where on 9/1/1795 he bought 103 Acres. He shows in records of Clark CO, Ky. in 1795 to 1797, where 3 of his children married. He was taxed in KY 1795-1796.

In Ross CO, Ohio, on, ON 8/1797, HE bought Lot 84 From Colonel, Nathan Massie. Taxed 5/3/1800 in Ross CO, Ohio. His land was in Wayne Twp, by the Scioto River, his, and the land bought by his son Fielding was part of William Smith's land. William: married John's daughter Chloe.

John's WILL 8/30/1803, proved 11/25/1803 named his wife and 11 children. Where his land later became part of Pickaway CO, Ohio. While his WILL reads John "A." Atchison, Frank Phelps believes he may have another middle name.

He was taxed 5/3/1800 in Ross CO. & his wife taxed 1806-1810. His sons sold the land 2/3/1810 to a Samuel Atchison, no doubt a relative, probably Samuel 4.

His Will, Appendix "B", Recorded-Probate Court, Ross County, Ohio, Book A, Page 20 (Typed from a hard to read photo copy, by Frank Phelps)

In 1820 Census, Madison Co, Ill Greenfield Twp, p. 137, he & brother SAMUEL are listed; each has people in their households, so he had children. He lived in Greenfield Twp in 1820, with 6 people shown, on p.137. The court petition by WARNER in Ohio shows he died without heirs. "Ill. THE 11 CHILDREN OF JOHN ATCHISON & HIS WIFE REBECCA, ARE NOT LISTED BY AGE, DUE TO UNKNOWN FACTS & DATES. ONLY LETITIA HAS A KNOWN BIRTH DATE FROM THE SHIPP FAMILY

RECORDS, SO WE START WITH FIELDING, BECAUSE SO MANY DESCENDANTS WERE NAMED IN THE COURT ACTIONS OVER HIS ESTATE, WHICH PROVE THEIR RELATIONSHIP TO JOHN A. ATCHISON. & REBECCA. Frank Phelps found court documents on the will & estate proceedings on Fielding estate.

When his wife died, the legal actions over his estate revealed over NINETY DESCENDANTS, and THEIR LOCATION, OF JOHN ATCHISON & REBECCA: HIS WIFE. Because of this, he is being listed first in this book.

These legal actions were initiated 4/19/1856, in Pickaway court of Common Pleas after Hannah died.

Pertinent parts of those legal maneuvering are printed here. to verify the relationships of the various heirs, and those missed in the accounting.

Letitia (Shipp), had descendants missed in the final settlement.

All his siblings were dead when the court actions started over his estate, so, only nephews & nieces were heirs.

Nine pages from the many pages of court records were found and copied by Frank Phelps of King of Prussia Pennsylvania. Frank, is a descendant of Charles Fielding Atchison, a brother of Fielding, both John's sons, while I descend from another brother Samuel.

Here is a partial account from those nine pages, showing the 11 children of John & Rebecca, 36 grandchildren, 19 Great Grandchildren, 25 spouses, and their location at that time.

Per Pickaway Co, Ohio Land Deeds, Volume 31, pp.123-144, Smith R. Warner of Madison Co, Ohio secured via quit claims the intrests of some of these heirs in a "Certain parcel of land in Pickaway Co, Ohio, beginning at the lower corner of John Atchison's tract on the Scioto River..100 acres, a part of a 440 acre tract entered in the name of Clement Biddle," as follows:

Notes for HANNAH PANCAKE:

While William Rice, speculates that Hannah & Rachel Pancake are Andrew Pancake's daughters, Only Hannah shows in Pancake researcher's records,

Hannah, married Nathan Cory, 12/20/1818, in Pickaway Co, Ohio. (Pickaway was formed from part of Ross Co, Ohio. Nathan, had a first wife: Sarah Wright, who died in 1812. He left a will proved 9/10/1843, in Ross Co, Ohio. b 1774, d 1856, Ohio. She shows as Hanah Cover, in the 1850 Census of Wayne Twp, at age 71, b Va..

Lowell Pankake is researching this couple at [pancake@tcfreenet.org](mailto:pancake@tcfreenet.org), he has her buried in H.M. Crites farm in Pickaway, Ohio.

Notes for WILLIAM ATCHISON:

He was under 21 in the 1803 WILL of his father, yet he is in the 1791 Land Contract. In 1805, he sold land to John Brown & wife in Ross Co, Ohio.

The court actions on Fielding's Will shows he died without leaving children. IN 1798, Colonel Massie sold him inlots 102 & 250. On 3/26/1802, William Atchison of Montgomery Co Ky., sold lot 250 to William Creighton for \$ 120, with Silas Atchison as a witness. He is only found in Kentucky after that. He died without heirs. He must have been born Abt 1786.

Notes for WILLIAM #4 ATCHISON:

It is probable that this William is a son of William #3, but this is pure speculation.

His WILL, 7/20/1811: To beloved wife Sarah: All my land & personal property except \$5 to be divided equally among the heirs and at her death the land & personal property to be divided equally between my two youngest son: Henry & Elijah Atchison. His x mark. wit: William Lowe, James Wilson. Probated 6/15/1814 Bath CO, KY, Jacob Trumbo, JP (A46). Inventory 4/8/1816, Samuel Bedell, John Keith, Mikial Smith (A:29). Bath County Tax Rolls do not list him after 1813 and include Sally Atchison in 1814 but not afterwards, Apparently he died in 1813 or 1814 prior to June 14th. He was Taxed in Bourbon CO, KY in 1795-1797; in 1796 with one and in 1797 with two other white males between ages 16-21. On 9/28/1797 he was rated as WM SR along with WM JR and Jesse Atchison. He is on Montgomery CO, KY tax rosters from 1801 to 1810.

Possibly he was the William who with Fielding Atchison, was the first settlers during the summer of 1798 in Wayne Township of present Pickaway County, Ohio-then in Adams CO, Northwest Territory(First Franklin & Pickawy Cos, William's brothers, 1880:3A), He was of Adams CO 6/30/1798 when he bought inlots 102 & 230(or250) in Chillicothe from Colonel Nathaniel Massie; and of Montgomery CO, KY 3/6/1802 when he sold inlot 250(or130) to Wm Creighton, one witness behind Silas Atchison(Ross CO deeds 142, 240)

Williams SR & JR and Jesse Atchison witnessed a Montgomery CO, KY deed when WM SR's brother-in-law John Trumbo bought 100 acres on both sides of Slate Creek, a branch of the Licking River in Montgomery(2:229). County Tax rolls list these three Atchisons in 1801, and except for Jesse, show them continuously through 1810 in Montgomery and after in BATH COUNTY(Formed from Montgomery) until the elder WM's death-all as owners of acreage bordering Slate Creek. On 2/5/1802 both SR & JR bought adjacent parcels 106 & 110 acres respectively on Slate Creek. Frank Phelps, who researched this data, knows nothing definitive of the earlier history of WM Sr, or Sally, although he

suspects WM is identical with a closely related to Wm Atchison, Jr taxed in Hampshire CO, VA in 1782 & 1784 and in Hardy CO, VA (Formed from Hampshire co, Va in 1786). One of three Wm Atchisons Taxed in Hampshire appears almost certainly to be the WM Atchison of Hampshire, who on 4/11/1785, confirms the sale of "Atchisons Woodyard" in Charles CO, MD on 8/13/1764, as a Charles CO resident, to Prior Smallwood(Charles COMD deed Z-3:137, L-3:570). That WM, his father, was born ca 1719, son of WM & Ann(Cawood) Atchison of Charles CO and grandson of WM Atchison of Prince George's CO, d 1698/99, Stephen Cawood of Charles Co, MD, died ca 1675/76 and Mary (Cox) Cawood, daughter of John & Mary (---) Cox of St Mary's CO, MD.

One descendant, Morgan Atchison, b ca 1895 Bath CO, KY, wrote in 1975 from Missoula, Montana: " My ancestor of Atchison name came from somewhere in Western PA about the time of Daniel Boone. I do not know his name but he had several sons. I believe my people of the Atchison name came from somewhere in Western PA. I believe they left during SHAY's Whisky Rebellion during Washington's first administration. They went to VA and as soon as Virginia began to tax their Whisky they moved to KY."

Identification of WM;s children is mostly tentative-in absence of definite proofs. Sarah, the only known daughter, had WM & Sarah Atchison as parents per a KY Vital Record. Wm's Will named youngest sons Henry & Elijah.

Circumstantially, those Atchisons in the neighborhood who may be his sons, are in order of known appearance, and probability, are Wm JR, Jesse, Jeremiah 1805, Silas 1807, Nathan 1807 & John 1818. They are indicated as probable or possible s by two descendants: Mrs Louise Eddleman, Springfield, KY and Mrs Beatrice Suddanth, Clay CO, MO. Tentatively, per above, the possible children of WM, were in a suggested order of age as follows: Nathan, Wm JR, Jesse, Sarah, Jeremiah, Silas, John, Henry D, Elijah.

He may be the Wm. Atchison, who enlisted 3/15/1777 in a Co. of Col. Daniel Morgan's riflemen.

He may be the Wm., Hampshire, VA Census 1780-05-1

This research concerning WILLIAM ATCHISON, Senior and his family still lacks examination of tax records of Bath County after 1818 and of Fleming CO after 1809 and Bath CO land records after 1819, and the court records in entirety for both counties. Also, yet to be studied are all the Court House Records of both counties with particular attention to the other surnames closely associated with these Atchisons, principally Johnson, Barber, Crain, Wright, Rogers, Baily, Pierce, Jones.

Others have him m. to Sarah Forgeson in 1770 & 1774, Bath Co, Ky, d. Aft. 1814. If she were his wife the marriage might be found in Hampshire Co, VA records.

1782 Hampshire Co, VA, has Wm. Atchison, Sr with 5 people in his household, and Wm, Jr, with 12 people in his household.

#### Notes for SARAH ELIZABETH FORGESON:

Because so many researchers show Sarah Forgeson as Wm #4's Wife, I have listed her here.

My thoughts were that Sarah TRUMBO, was his wife. NO PROOF of either woman is shown to place them in a certain place or time. Both Trumbos and Atchisons were in Virginia, until about 1790. The Forgeson-Atchison marriage if there is a record of it would have to have been in Hampshire or Hardy counties, Virginia. Only Jesse Forgeson Atchison and his descendants carried the Forgeson name in subsequent generations.

Should anyone find documentation of the Atchison-Forgeson connection, please inform me of proofs found.

#### Marriage Notes for WILLIAM ATCHISON and SARAH FORGESON:

Others have him m. to Sarah Forgeson, who was 16 in the 1850 Census of Bath Co, KY, with her parents family names is FERGUSON in Census Records.

#### Children of WILLIAM ATCHISON and SARAH FORGESON are:

- i. JOHN<sup>5</sup> ATCHISON.

#### Notes for JOHN ATCHISON:

He is listed only because Walter K. Atchison thought him a son of Wm, Jr & because, in 1818 a John Atchison was taxed in Bath Co., in Sanders Company, as was Kewsiah, Possibly he was the son mentioned in Nathan's will & the male age 10-16 in Kesiah's household 1820 Census.

- ii. MARY ELIZABETH ATCHISON.
24. iii. NATHAN (JONATHAN?) ATCHISON, b. Abt. 1765, VA..
25. iv. JESSE FERGUSON #1 ATCHISON, b. Abt. 1769, Hampshire Co, VA.; d. 1839, Bath Co, KY..
26. v. WILLIAM E. JR. 5 ATCHISON, b. August 06, 1772, Hampshire Co, Va.; d. July 12, 1848, Bath Co, KY..
27. vi. JEREMIAH ATCHISON, b. October 10, 1785, Hampshire Co, VA.; d. June 23, 1859, Fleming, KY..
28. vii. SILAS ATCHISON, b. Abt. 1787, Greenbrair, VA.; d. 1851, Fleming Co, KY..
29. viii. HENRY ATCHISON, b. Abt. 1790, VA.; d. 1844, Bath Co, KY..

ix. ELIJAH ATCHISON, b. Abt. 1793, KY.; d. 1844; m. POLLY ROGERS, May 11, 1814, Bath CO, KY..

Notes for ELIJAH ATCHISON:

He was taxed in bath CO, KY in 1815, 1816 & 1817 for horses, but not in 1818. 10/1/1817, he sold town lot 198, Owingsville, to James Young. Previously with Henry D. Atchison he deeded real estate on 8/27/1817 to Jesse Atchison, Henry & Elijah signed, Nancy & Mary Ann made their marks (Deeds B:116, 311) 1820 Census, Polly Atchison as head of household with 2 Males under 10 years of age and 1 female less than 10 years old. (Bath deed B:311, 10/1/1817, he sold lot 198 in Owingsville

He apparently was 21, when taxed in Bath Co in 1814 appears, without, in view of the evidence above, this Elijah was a younger son of William, SR. He was wit. to Samuel Roger's Will 2/16/1814.

Notes for POLLY ROGERS:

In 1820 Census with 2 boys & 1 girl less than age 10. (Presumed that Elijah has deserted or divorced & left the area. In a 9/15/1839 letter from Louisville, KY to his brother Henry, Elijah says he tried to visit members of his father's family in 1835 & before but found himself unwelcome. Clarence Atchison, Junction, TX, a descendant of Wm 4 had info. Elijah went to New Orleans & prospered. Apparently he returned to KY during the 1830s. The 1840 US Census, Jefferson Co, KY lists Elijah F. Atchison as a head of a household with the following white males, 1 un 5, 1 5-10, 2 10-15, & 1 40-50; white females, 1 5-10, 2 10-15, 1 15-20, 1 30-40 (presumably his wife, as his letter says ("my lady is not at home")), 20 slaves & 7 free colored. Tax lists from 1841 & 1842 indicate he owned 242 acres on Beargrass water course worth \$10,00. Possibly the John M. Atchison in the '42, 43, & '44 tax lists for Jefferson Co like Elijah in the Northern District, over age 21m is a son of Elijah. This also suggests Elijah died about 1842 or 1843.

LBS. In Hardy Co. records from 1788 to 1791 & in Bourbon Co., KY 1792 tax lists. By 1806 he was living near Chillicothe, Ohio.

Speculation is that Pierce and Solomon , are his children, and that they married daug., of Robert Parrish of Ross Co, OH. Both of them were in MO by 1851 (per partition of R. Parrish's land (He died Abt. 1824)

In Hardy Co, VA records from 1788 to 1791 & in Bourbon Co, KY 1792 Tax Lists. By 1806 he ,lived near Chillicothe, OH & in 1810 bought John 4 Atchison's land from John's sons, with George Atchison as a witness. He died by 6/1814, when a Pickaway Court dropped suits involving him because of his death.

His WILL, 11/16/1813, proved 11/13/1814, witnessed by Francis Nichols, Theodorus Seabourn, & Daniel Seabourn, left all to wife: Nancy, the Exutrix, and mentioned no one else. Nancy, then, m. 12/27/1817 to Thomas Wilson, in Pickaway Co, OH.

Only William can be proven as a child. The other children credited to Samuel, were not offspring of John 4, or Silas 4, William 4, or Henry 4. Logic places them here..

Notes for JAMES 4 ATCHISON:

James Atchison, Charles Co, MD, Port Tobacco Upper 1778 in "Colonial America, 1607-1789, MD Census Index. (This Index also shows JOSHUA in the same place.) This is in Charles County, just south of Prince George's County, where the 4th generations are found in Maryland records.

He is no doubt a 4th Generation Atchison, although we do not know his exact lineage, but his birth date puts him with the other 4th generation Atchisons. To have him print out in the Family Tree, I gave him a line back to William #1, although no confirming proof of his lineage is found.

James, Charles Co, MD, Port Tobacco upper 1778

Georgia became one of the original 13 states in 1788, when James joined the U S Army, in Maryland.

I believe he is actually James #3, ( a fourth generation Atchison) and first cousin to: John 4, William 4, Silas 4, Samuel 4, Henry 4, Edmund Etchison 4, Chloe 4, and another William 4. His father then, would be a 1st cousin to John 3, William #3, another James 3, and Joseph 3.

ATCHINSON, Resident of PORT TOBACCO UPPER HUNDRED, took the oath of allegiance in 1778, as a Private, MILITIA, 26TH BATTALION, CAPTAIN WILLIAM MCPHERSON'S COMPANY." Died 1807, in WARREN COUNTY, GA. While he left no WILL, I have obtained copies of his estate probate and the sale of his assets, from GA. Dept. of Archives.( Port Tobacco, is in Charles CO, MD.)

There are Pat Staley of IL, who has the following as his children: Charles, John, Henry, Arnold, Samuel, Jeffery, Joseph Thompson, and Barton. Joseph & Barton descendants are traced by: Pat Staley, & Judy Graven, of IL, who follow the Joseph Thompson Atchison Blood line, Janet Rohlf of OHIO, has many Barton Atchison descendants.

Since Joseph Thompson was born in 1789 in Charles Co, Md, the move to Georgia must have been made after the Revolutionary War.

His sons marriages are in Warren Co, GA marriages from 1784 to 1850

Notes for CHARLES L. J. ATCHISON:

One researcher has him with middle initials L. J., suggesting it to stand for LITTLEJOHN.

1820 census, Madison Co, Ohio shows him born by 1775. Named in his father's Will 11/25/1803. Ohio tax lists 1806-1810. Bought land in Somerford, Madison Co, Ohio on 4/1807. He was a farmer; Justice of the Peace, County Clerk, First Township Treasurer of Deer Creek Twp, Madison Co, OH. in 1812-1818, & Supervisor of Roads in 1832, (History of Madison Co, Ohio, 1883). "Littlejohn", might be his middle name. The Chart, "State of Ohio", as of Apr/1984 shows him as Charles Fielding, son of John Atchison. (in "History of Madison Co, Ohio" 1883, BEERS, calls him Charles L J. Atchison, which suggests "Littlejohn"-a connection to a Silas Atchison family. He, John, Samuel and William are in the Land Rental Contract of 8/20/1791, which means they were all b before 1791. William was under 21 in 1803 Will of John Atchison.

Charles is mentioned first in the 1791 Land Contract, but there are no males above 15 in 1787, so his age is estimated at 15 in 1787, or born in 1772. He seems to be the oldest male.

He is found in a tax list-Auditor of State of Ohio in 1810 as Charles Atcheson and 1816 as Charles Atchison.

He came from Maysville, Kentucky and purchased 800 acres in what is now known as: Upper Gwynne land, four miles north of London on the Marysville Pike.

Marriage Notes for CHLOE ATCHISON and ANTHONY POTTS:

m. as Cloe Smith LDS M513161 source 0288393 v. # 13 2nd wife of Dr Anthony Potts.

Children of CHLOE ATCHISON and WILLIAM SMYTHE are:

94. i. JEREMIAH LYCURGUS #1<sup>6</sup> SMITH, b. March 23, 1802, Pickaway CO., Ohio; d. February 28, 1852, Burlington, Des Moines CO, Iowa.
95. ii. SAMUEL SMITH, b. Abt. 1803, Ohio; d. June 1843, Burlington, Iowa.

20. SAMUEL<sup>5</sup> ATCHISON (*JOHN #4<sup>4</sup>, WILLIAM #3<sup>3</sup>, WILLIAM #2<sup>2</sup>, WILLIAM #1<sup>1</sup>*) was born Abt. 1782 in Va., and died Abt. 1830 in Ill.. He married (1) RACHEL PANCAKE Abt. 1806 in Ohio, daughter of ANDREW PANCAKE and ELIZABETH RONKINGEM. She was born Abt. 1784, and died Abt. 1814 in Ohio. He married (2) SARAH HARRISON June 25, 1815 in Pickaway CO, OH..

Notes for SAMUEL ATCHISON:

Samuel was left his brother Fielding's Rifle Gun in his will. These two married Pancake sisters at least it appears they were Andrew Pancake's daughters. Hannah, who married Fielding is a positive from Pancake data others possess. He had a wife Rachel, in a Ross Co, Ohio deed on 2/1810.

Illinois became a state in 1818. In 1819, Samuel & John Jr & Chloe were in Chahokia, Ill during the winter.

In 1820 the census of Madison Co, Ill, Springfield Twp, p. 101, shows Samuel & his brother John J. with families. Samuel is in Springfield Twp, with 5 people in his family. He could be the Samuel Atchison, who had land in Burlington, Iowa and sold it to John Pierson, but we could not locate those papers in Burlington, IA, where his son: John Harrison Atchison lived. Another of his sons: Frederick was also in this area of Iowa in the 1840s. It appears his son: William, was born about 1830 something in Ill., Since he seems to have visited his brother Fielding's wife in the Iowa census of 1856. No positive traces have been found after the 1820 Census of Madison Co, Ill. In Galena, Ill., I found a Samuel Atchison & a Jeremiah Smith in a history book which showed them in a Peoria Poll List. (His sister: Chloe had a son Jeremiah Smith ???)

Notes for RACHEL PANCAKE:

Researchers of the Andrew Pancake family do not show Rachel as his daughter, A Thomas Thixton is thought to have married another of Andrew's daughters, and the Thixton researchers believe Rachel & Hannah are sisters, who married Fielding & Samuel Atchison, and that Pancakes & Thixtons are living & legally associated in Hardy & Bullitt Counties in Kentucky. William Rice of the Thixton Family does this assumption. She shows in a deed in Ohio, where Samuel has a Rachel for a wife on 2/ 3/1810, in Ross Co, Ohio. She d 1814, Ohio.

Notes for WILLIAM ATCHISON:

In the Iowa Census of 1856, a William B. Atchison 26, was counted with Julia(Pyle) Atchison's family, in Deleware Co, Iowa. HE had to be born ca. 1830. His parents married in Ohio. He may well be the WILLIAM B. ATCHISON, 26 years old, who is listed with JULIA (PYLE) ATCHISON & her family in the 1856 Census of DELEWARE Co., Iowa, ELK Twp. That WILLIAM, was a PLASTERER. That would make him born in 1830. a state of birth is not shown. He is the only child of SAMUEL, who is not listed in the 1859 settlement of SAMUEL'S brother FIELDING's estate.

Notes for NATHAN ALAN ATCHISON:

1 year 8 months old @ father's death per 9/1/1826 Executors Settlement, Bath CO B413. Nathan, seems one of the least likely to be son of Wm and possibly is not related to him closely or not at all, because (a) of his older age, (b) his land on Flat Creek in Bath CO is relatively distant from that of the other Atchisons and (c) taxed on different dates from them.

He married HANNAH MAURIN "MAUPIN" JOHNSON. She was born July 21, 1776 in Pittsburg, Pittsburg Co, PA..

His Will, 3/29/1839, probated 5/13/1839, bequeathed to daughter Sarah McManaway, (A Widow), sons: Jesse T. & Thomas Jefferson & brother WM Atchison, executor; mentioned own 60 acres bordering Wm Atchison's land while the will doesn't mention a wife, Mrs Edleman says his widow married a Johnson & moved to Indiana. (In Orange CO, IN Census, there is a family: Arthur Johnson, 70, b PA, Nancy Johnson 69 b PA; Perry Johnson, 29, b KY & Jesse Atchison 13, b IN (per Chris W. Atchison, Junction, TX 1978)) Jesse is over age 45 in 1820 Census, Bath CO, KY thus, born by 1775.

In view of close association with WM SR & JR and his naming of WM as brother in his Will(& there being no other known W Atchison in the neighborhood), it indeed appears most probably he was a brother of WM, JR & son of WM SR. a 9/15/1839 letter from his brother Elijah to their brother Henry, "The loss of our oldest brother, he is gone." Census of 1830, Bath Co, Ky, Jesse, males 2-10, 1 16-26, 1 26-45, 1 + 45, females 1 10-16, 1 +45, all b. KY.

From Perrin's History, Jefferson Co, IL, page 79:

In the fall of 1816, Barton Atchison came and bought Wilkey's crop and settled near Cook's. Barton Atchison was also in the war of 1812, and was a character in his way. He was a man who moved everything by his own prompting s; he knew little or nothing of the rules of society and he cared less. He was an honest man, and as rough of speech as rough could be-genuine rough diamond. He was long a County Commissioner, and held other offices to the satisfaction of the people. he was a great story-teller, and delighted to relate his adventures in the army and elsewhere. Mr. Johnson tells the following as one of his army stories: " The army was encamped for some time at a certain point, and during their stay there, he and a companion went out one evening to take a hunt. It soon began to snow, and as they wandered in the pathless woods they became bewildered and night overtook them before they reached camp. To lie down was to freeze, and to walk on was to risk getting father away, of rushing into unknown dangers, and finally perishing in the snow. At length, to their joy, they came to an old unoccupied cabin, and they hastened to take shelter beneath its friendly roof. They shook off the snow, and were about to wrap their mantles around them and lie down to pleasant dreams, otherwise roll up in their army blankets, prepare to pass the night, when Atchison bethought him that, perchance, the inclemency of the weather might bring other company, either wild beast or Indian, to the cabin, and it prove, after all, a dangerous resting place. So finding a part of a

loft, two courses of boards laid on poles, they climbed up and made their beds. The wisdom of his suggestion was soon apparent, as in a little while a band of Indians came in and took possession of the cabin, one of whom was the tallest Indian they had ever seen. The new-comers kindled a fire, roasted a little meat and began a night carousal. After some time Atchison shifted his position in order to see a little better, when the boards tipped up, and he and his companion and the loft came clattering down on the Indian's heads. This was too much for a people both cowardly and superstitious, and they fled in terror and confusion." Achison, as we have said, was an active man, and took considerable interest in county affairs. He raised a large family, and still has many living descendants in the county, of whom much will be said in other chapters of this work. He died a few years ago at an advanced age, leaving many warm friends to mourn his death. At one time and another he held many county offices, and in each and all he was ever honest and faithful. His learning, so far as the schoolbooks go, was limited and meager, but his practical education was good, and was gained by daily experience with men and things. Such were the men and families who made the first settlement in this county

She was born February 22, 1806 in Ohio, and died August 29, 1885 in Burlington, Des Moines CO, Iowa.

On 2/28/1817, he choose Aaron Sullivan as his guardian. Abt 1820, moved to GREENE Co., Ill. w/mother, step father & other relatives: Atchison, Smith and Potts. 1836 & 1840 Iowa Census in BURLINGTON, 11 in family, P 147. At that time, 3 of his children had not been born: ADNA, JEREMIAH #2, and IOWA JOHN, which accounts for 12 children. 1850 Census, DES MOINES Co., Iowa w/family. He gave the town of BURLINGTON land for a cemetery, and a few years later, they built a school over his grave without moving his remains. He had come to BURLINGTON on 11/1833, as a surveyor to plot the lands in that area..

His Will of 5/31/1852, had son: as executor. He was an officer in the BLACK HAWK WAR, built the first meeting house for the WISCONSIN TERRITORY LEGISLATURE, which burned after little use. Another JEREMIAH SMITH collected money from Washington for that building. This man was called JEREMIAH, SR, and our JEREMIAH was called JEREMIAH, JR.

He was a Senator in the WISCONSIN TERRITORY LEGISLATURE, and in IOWA, after it became a state. He went to BELMONT, Wisc. on 10/25/1838, with PETER ENGLES of DUBUQUE, Iowa for the MICHIGAN TERRITORY LEGISLATIVE SESSIONS.

He was 1ST Lieut. in JOHN LORTON'S COMPANY, then a Captain, He became a Major, and Lieut. Col. 3rd ARMY REGT. BRIGADE. He took land under the BLACK HAWK TREATY, and was friends with CHIEF BLACK HAWK, and the Indians in the BURLINGTON, DES MOINES Co., Iowa area.

1836 Census shows 10 people; in his family. He named some streets in BURLINGTON after his daughters, although we do not have births for some of them. He was one of the first merchants in BURLINGTON. He is in the book:

"TWILIGHT OF EMPIRE" on several pages.

He has Numerous deeds recorded in BURLINGTON, Iowa

DES MOINES COUNTY, BIOGRAPHICAL ALBUM: Reads 8 children, but He'd had 4 other children. The following deeds are from BURLINGTON, Iowa records:: 1) Book 2, Page 417/418, 10/16/1938, with a wife "ELEANOR" ? 2) 2/17/1840, Book 3, Page 84, w/ELLEN; 3) 9/12/1840, w/ELLEN Book 3, Page 479/480; 4) 11/30/1840, Book 3, Page 409, AND 5) 5/13/1841, Book 3, Page 684/685/686.

We have his picture in a book. Four of his daughters show in the 1836 census of Burlington, because Iowa, Jeremiah #2 & Adna had not been born yet, and 10 people are in the family in 1836.

On the 6th of May, 1839, District Court, in Box AS-45, there is an account of Hewey Griffey's attempt to murder Jeremiah Smith. It seems Griffey shot Jeremiah in the left arm and thigh. Jeremiah was sitting on the counter in his store, when Griffey started abusing him. Both a knife and a pistol, loaded with a leaden ball which weighed one hundredth of a pound, when dug out of Jeremiah's arm. A Dazell Smith & A Potts testified at the trial, No verdict is shown.

Found as a son of SAMUEL in the court papers of SAMUEL's brother FIELDING's estate legal settlement, in 1849 in OHIO. On 7/4/1837, he bought 40 acres in Schuyler CO, Sec, 11, Twp 03 N, Range 03 W, 4th Meridian, at \$ 1.25 an acre, for \$ 50, from archives Vol 698, Page 085. Then in the 1850 Census in Deleware CO, IA, Elk Twp, Dist. 7, Page 700, w/ wife & 6 children. His wife & the 6 children are in the 1856 IA Census, same Twp. In the 1870 Census, Julia is an invalid, living with her son Benjamn & 2 of his dau. In the 1880 Census, Julia is living with dau Sarah & Uel Little & family.

Fielding served in the Black Hawk Indian War in 1831/32. Serving with him were his brother Frederick and their 1st cousins, the Smith brothers, as well as other relations. The ATCHISONS were Sgts & the Smiths were Officers.

He married in Morgan CO & then moved to Schuyler CO, IL, where his 1st 4 children were born. His wedding license came to me on 4 pages.

He paid a Tax of \$ 1.25 an acre in Schuyler Co, IL on 7/4/1837. In the "History of Schuyler & Brown Counties, IL, 1882", on Kentucky Ancestors, (it reads erroneously): " Fielding Atchison, b KY, son in law of Nicholas Pyle, b Ky. Madison Bobbitt Married Sarah dau of William Pyle (She was actually a sister to Julia Ann, & is Nicholas' dau, too) it continues: Nicholas Pyle b KY, father of Sarah & William (William b Ky, moved to KS), also father in law of Fielding Atchison, b KY & Madison Bobbitt.

(We have the PYLE family back to 1594 in England.)

Also, in that same book, is this inclusion:

"Nicholas Pyle, a Kentuckian, with wife & family built a cabin, made some improvements & acquired a pre-emption right to the South East quarter of sec. 10, but soon moved away." Since he came to IL in 1817, we do not know just when he proved that land, although it must have been 1834/35. (His father, also a Nicholas had 19 children.) Fielding Atchison with wife & several children came with Pyle, his father in law and in company with his brother in law William Pyle, then unmarried, improved the North east Quarter of Sec 10, which Pyle afterwards entered, but subsequently sold & went to KS." (It was not William, but Fielding & wife who sold that land= 1840 land sale, Sec. 11, 3w, Brooklyn Twp, Rossville IL, Schuyler County, book J, Page 514, "Phielden Atchinson & wife to Samuel Dodds, Their "Mark" as signatures. (Notice the misspellings of first & last names.)

"Madison Bobbitt, arrived from Morgan CO, a young man, who soon after married Sarah Pyle, a dau of Nicholas Pyle & improved on the South East Quarter sec. 10 in 1935. He is listed, along with his father & brothers in law in the 1840 Census of Schuyler CO, IL.

Fielding evidently went to California after arriving in IA, because we have a paper from Deleware CO, IA records, showing he had been in Butte CO, CA and had agreed to bring back \$ 200 for another man's father in Wisconsin. He was about to leave for IA on 2/18/1852. The other man's name was C. Tyler. We have a number of our Atchisons in California in other Counties in the Census.

In IA, on 3/5/1852 he bought 40 acres for \$ 50, in Sec. 12, Twp 90, this was near Wood, by the Deleware-Clayton County border. On 7/21/1852, he bought land from Frederick Slaw of Philadelphia, PA for \$ 100. This was another part of sec. 12, containing 80 acres.

On 12/9/1863, Julia sold for \$ 150, 40 acres, and for another \$5, sold a piece of land so as to include a certain spring. At this sale, Wesley & William were under age, their interest stated in a note, while the other children & their wives had to sign the papers.

Julia, had asked the court if Benjamin Pyle had been appointed her guardian in one legal paper. Her brother, his wife & family are in the 1856 IA Census, Elk Twp, Deleware Co, Iowa.

Fielding died after 7/1852, when he had a land deal. His death can not be found. His wife & children are found in 1850

& 1860 in Delaware Co, Iowa Census, 1870 in Clayton Co, Iowa, North Beuna Vista Twp, & 1880 Census.

His name is spelled Fielding, Fielden, Phieden & Phielding in various documents.

1850 Census, Delaware Co, IA, Dist. 7, p.35, 12/16/1850, Fielding 39 b. OH, Julia 43 b. KY, Benjamin 15 b. IL, John 13 b. IL, Sarah 10 b. IL, James N. 7 b. IL, Wm. 3, b. IA, Wesley 3 b, IA.

Julia is found in the 1850 7/20/1860, Elk Twp, p.129, family 1064, entry 979. Julia 55 b. KY, Ben F. 25 b. IL, John S. 23 b. IL, James N. 17 b. IL, William 13 b. IA, Wesley 13 b. IA. After 1843 it appears they moved to Delaware Co, Iowa, where the last two sons (twins) were born.

Their children are listed in the legal proceedings of Fielding's uncle Fielding's estate.

Her grandfather fought for Andrew Jackson at New Orleans in the War of 1812. He had 19 children. His father and brother were British Tories in the Revolutionary WAR.

J.R.Atchison dies on Sunday. Pioneer London business man succumbs at home her following illness of two weeks. Had been engaged in Drug Business more than 50 years-Funeral to be held Tuesday afternoon.

Following an illness of less than two weeks with an acute attack of gall bladder trouble, John Rosser Atchison, aged 74 years, one of the most prominent and respected business men of London, died Sunday morning at 6:45 o'clock at his home on North Main St.

Mr. Atchison had been in excellent health up to the time of the acute attack of gall bladder trouble, having returned from a winter in Florida on May 6. He was born March 29, 1851 in London, and was the son of the late Charles and Rebecca Rosser Atchison. (NOTE: His father was John J. Atchison. Charles was his uncle) He lived in London until 10 years of age, attending the old London academy, after which time, he went to Lafayette, Indiana, where he lived with an uncle and attended the old Battle Ground Institute, graduating there at the age of 18 years. He returned to London and entered the drug store of the late Auburn Smith where he remained 10 years. He then became general manager of the now abandoned manufacturing company that was organized here to make check-row corn planters. Returning to the Drug Business, he bought the store of Mr. Smith, for whom he had worked and since that time had been engaged in the Drug Business, moving one door to the north from the Smith rooms into the site of the present Atchison Drug Store. Several years ago, the company was incorporated with J.R.Atchison, John A Gorry and R.G. Bradley as active operators and owners of the store. Mr. Atchison is the third generation of the family to reside in Madison County. His grandfather came to this country from Maysville, Kentucky, and purchased 800 acres of what is now known as the Upper Gwynne land, four miles north of here on the Marysville pike. On this farm, Mr. Atchison's father was born. Later, the father moved to London and purchased for a total cash outlay of \$18:00 the property site occupied by Dr. H. P. Sparling, where the original Atchison in London was located.

Mr. Atchison was a widely known member of the Masonic Lodge, was a Knight Templar and a Shriner, being a member of the London Shrine Club since its organization. He also was one of the most faithful and prominent members of the London Club.

He is survived by three daughters: Misses Cora and Eloise Atchison and Mrs. Eva Cofrode, all of London, residing at home. Mrs. Atchison died four years ago.

Services on Tuesday PM, Rev. C. E. Shields, London Presbyterian Church. bur. in Kirkwood Cemetery.

His obituary, Clayton Enterprise, Thursday August 19, 1915, Page 1, Col. 2, Reads: Joseph Warren Marrett passed from the scenes of earth Monday evening, Aug 16th, at 10 'clock.

His passing closes the life history of the family of John Marrett-he being the last survivor of a family of seven children. He was the elder son of John and Catherine Marshall Marrett, born Feb. 10, 1843, at the farm near the home of Mr. & Mrs Elmer Glaser, a mile southeast of Clayton. With the exception of a short residence near Bently, IL, his entire life has been spent in and near Clayton. March 3rd, 1861, he married Catherine Smith, who died 5/7/1872. They were parents of five children-two still living, Mrs Lura Ridder, of Camp Point, and Jephtha E., of this city. April 16th, 1875, he married Mrs. Jane Griswold. To them was born one daughter, Centennial Rose, who died March 14th, 1893. He had been a member of the Masonic and Odd Fellows lodges since early manhood and was also a member of the Modern Woodman. He is survived by his faithful wife, who tenderly cared for him through all these years, so full of pain and suffering, which he bore so uncomplainingly. Mr. Marrett was popular with his friends and companions, There was a warm side to his personality, which made him agreeable at all times. In political matters his opinion was sought and he held the office of Justice of Peace many years. Be it said to his credit, that he settled many a controversy, rather than allow them to come into litigation and result in unkind feelings and estrangement of friends. He was township assessor a few years ago. Half of his life, Mr Marrett was a member of Delta Commandery and that fraternity will attend at his funeral this (Wends day) afternoon. The ceremony of the Masonic and Odd Fellows orders will be observed, He had belonged to these orders from young manhood and held their teachings in high regard. The service will be conducted by Rev B.S.M. Edwards, assisted by Rev Jno R. Vance and the body will be laid away in South Side Cemetery.

Notes for JANE "JENNIE" GRISWOLD:

George has her as Jennie G. Griswold, buried by Lura in South side Cemetery, Clayton, IL. (Grave unmarked).

(S)*<sup>6</sup>, *SAMUEL*<sup>5</sup>, *JOHN* #4<sup>4</sup>, *WILLIAM* #3<sup>3</sup>, *WILLIAM* #2<sup>2</sup>, *WILLIAM* #1<sup>1</sup>) was born February 1847 in Deleware CO, Iowa, and died January 12, 1916 in Buena Vista, Iowa. He married MARY ELIZABETH TINKEY August 15, 1867 in Cassville. Wisc., daughter of GEORGE TINKEY and CYNTHIA LITTLE. She was born May 1850 in Liberty Twp, St Joseph CO, Ind., and died June 11, 1930 in Dubuque, Iowa.

Notes for WESLEY #1 ATCHISON:

OBIT, GUTTENBERG PRESS, 1/13/1916, Page 1, which also shows that his Dr was DR PALMER of CASSVILLE, Wisc. & that MR & MRS WILLIAM & JULIA ROBINSON of MANCHESTER, were called here on account of the death of WESLEY ATCHISON, & that he'd had his arm amputated & died probably from infection. He is in the 1850, 1856, 1870, 1880, 1890 & 1910 CENSUS.

WESLEY, was a fisherman, trapper, hunter clammer & woodsman. He played the Fife. When he died, they lived in a house boat that had been pulled up on shore, right across from the railroad station in North Buena Vista, Iowa. With his wife MARY playing her Organ & his Fife Going, they sang & danced a lot. With children born over a 22 year period, a couple of the daus: ALMIRA JANE & JULIA ANN were married while my mother: "EFFIE" was only a couple of years old. So, I had cousins much older than I. We found him in the Census at 3 in 1850, DELEWARE COUNTY, At 9 in the THE IOWA Census of 1856, and at 13 IN ELK TOWNSHIP, DELEWARE, COUNTY. His family was found in 1860, IN ELK TOWNSHIP & again in 1870, in North Buena Vista Township, CLAYTON, COUNTY, & again in 1880 & in 1910. My mother told me her parents knew almost every hymn & were true believers. The many other ATCHISONS around "BUENY", as they all lovingly called the town, played in instruments & lots of playing & singing was always in order, when any occasion arose.

(INCIDENTALLY, UEL LITTLE, WHO WITNESSED WESLEY'S WEDDING, LATER MARRIED WESLEY'S ONLY SISTER SARAH, AFTER HIS 1ST WIFE DIED.)

The children were born all over OVER CLAYTON COUNTY, except for FIELDON, who was born in EARLVILLE, DELEWARE COUNTY, Iowa The reason for this was that he cut wood & timber for various people around that area, taking his family along. The home most of the years was in North Buena Vista. one, was a log cabin. In 1948, I Took my mother up to "Bunie" to see the "HUGE" LOG CABIN she had described to me so often. It was still there, used as a single car garage. It's hard to imagine 10 kids & their parents living in such a small house. The kids had slept in the loft, laying like sardines in a can.

Notes for MARY ELIZABETH TINKEY:

bur in North Buena Vista, Iowa. dau. of GEORGE TINKEY, born 12/1817, Ohio, died 10/15/1908, North Buena Vista, Iowa, & CYNTHIA LITTLE, born 1818, Ind., died 1863-70, Iowa, who came to in 1852, from ST JOSEPH CO, Ind.. 1850 Census at ST JOSEPH CO., Ind., shows MARY E. at 6/12 months old.

I was privileged to see & know grandma. When WESLEY died,, her son ED brought her to DUBUQUE to live with him. At one time they lived in a houseboat, ED doing fishing, clamming & trapping with WESLEY, JR & FIELDON, who also had houseboats by the railroad bridge. I have only faint memories of those houseboats, but I Vividly remember her sitting on the front porch of a house they lived in, a sun bonnet, with it's stiff staves warding off the sun, a corn cob pipe in her mouth, rocking away contentedly. She had a bread box, large enough for a dozen loaves of bread. My mother had that box for years. I kick myself for not keeping tract of it. It would be a prime antique. Ma also had her sun Bonnett.

She served as MID-WIFE to the whole area, even delivering WESLEY, JR'S dau: DORA. She traveled in a buggy from birth to birth. Of course, her daus: SARAH & EFFIE and sons ED, WESLEY, JR and FIELDON all lived close by in DUBUQUE, and other nephews of WESLEY at times lived in DUBUQUE. At least two of their children were born here.

Marriage Notes for WESLEY ATCHISON and MARY TINKEY:

Children of WESLEY ATCHISON and MARY TINKEY are:

- i. EDWARD L. "EDWIN" "DOGFISH"<sup>8</sup> ATCHISON, b. September 13, 1868, Ostedok. Iowa; d. January 09, 1956, Dubuque, Iowa; m. KEZIAH "KIZZY" VANLANINGHAN, September 29, 1902, Dubuque, Iowa; b. 1882, Rock Island, Ill..

Notes for EDWARD L. "EDWIN" "DOGFISH" ATCHISON:

He worked for a railroad & was town treasurer in North Buena Vista, CLAYTON CO, Iowa. His wife run off with a traveling salesman & Ed took town money to go after her. He spent 5 years in prison for that. He brought back many old songs learned from other prisoners, which my mother taught to us kids.

ED & KEZIAH, are found in the 1910 Census in North Buena Vista. His OBIT was in the TELEGRAPH HERALD. He is in the 1870 North Buena Vista, CLAYTON Co. Census at 1 year old,

When his father died, he moved to DUBUQUE with his mother, lived with him until she died. At one time they lived in a houseboat, by the old HIGH BRIDGE, alongside bros WESLEY, JR & FIELDON & their families. They did commercial fishing, clamming & trapping in the MISSISSIPPI RIVER.

CITY DIRECTORIES show him: 1918, 1918: at 184 South Locust, 1923: at 1725 CEDAR, 1927: WKS DUBUQUE ELECTRIC CO., at 1725 CEDAR, 1929: AT 1520 CEDAR, 1934: 1590 CEDAR & 1939: at 1555 sycamore St.

He was called: "OLD DOGFISH", lived in an old trailer after 1939, loved to pinch his nieces when they came around, smoked an old CORN-COB PIPE, which had a stem maybe 3/4 of an inch long, to which he'd wrapped cloth. He smoked cigar clippings in that stinky old pipe.

He was one of the 1st in this area to receive an OLD AGE PENSION from the government. He had an old battery-powered "ATWATER-KENT" radio, with a large horn speaker. It weighed a good 80 lbs. His days were spent in his row boat among the sloughs of the MISSISSIPPI RIVER. He called his favorite slough "ASSHOLE CUT". A jolly old coot, he was well liked, full of stories, fun to be around.

He called my wife "HIGH POCKETS": she being a tall woman. His favorite story : "We cut down this huge HUGE "HONEY TREE" up by "BUENY". It fell off the bluff into the MISSISSIPPI. It had so much honey in it that it sweetened the river for forty miles up & down."

In the DUBUQUE COUNTY CLERK'S OFFICE, Book 6, Page 293, is his marriage record. He was a farmer from ALMOND, IA, by JACOB KESSLER, Justice of the Peace. He was 34 years old at that time.

Notes for KEZIAH "KIZZY" VANLANINGHAN:

Nick-Named "Kizzy", no children. Her First Husband was a "Roschi" b 1882, Rock Island, Ill.,

GEORGE does not show in the Census in 1900, with the rest of the family, although he would have been only 14 YEARS old at that time. Family talk always was that he got drunk & lay down on the railroad tracks & was killed by a train. It is pure speculation as to when he died. It seems by the Census, that de died very young. He was not living when his bro BENJAMIN drowned.

Papers have written that he was a farmer, who hated farming. With a 5th grade education, he built a two-seater battery powered car & invented an electric arthritic machine about a decade before the Civil War. The car was pushed off a steamer on the Illinois River, because angry viewers thought it was a wind-up toy, according to an 1898 story in the Chicago Sunday Tribune. He never patented his devices. His Dynamo was a Perpetual Motion Machine. Many of his creations are on display at the Dallas County Museum in Perry. IA.

She married JOHN HENRY "HANK" TITTLE May 09, 1897 in North Buena Vista, Clayton CO, Iowa, son of JOHN TITTLE and DELILA EDWARDS. He was born January 01, 1868 in Danbridge, Tenn., and died June 14, 1942 in Dubuque, Iowa.

Notes for SARAH LAVISA ATCHISON:

SARAH LAVISA ATCHISON & JOHN HENRY "HANK" TITTLE family. These two had 11 children, all born in North Buena Vista, Iowa. They along with "Hank's" parents JOHN L. TITTLE & DELILA EDWARDS are found in the 1910 Census, with the first 7 children.

HANK'S FATHER, was in the E. TENNESSEE LIGHT ARTILLERY during the CIVIL WAR, and is buried in the North Buena Vista Cemetery. Another son of JOHN L., was LEMUEL TITTLE, who lived with his wife in DUBUQUE at one time. JOHN L, OBIT 5/5/1911 in GUTTENBERG PRESS= married in DANDRIDGE, Tenn., 12/26/1865, d 4/25/1911, 3 sons & 4 dau.: GEORGE & LEM, of DUBUQUE, HENRY, of N. B. VISTA, KATIE BARKER, of CLAYTON, Iowa, MAGGIE BESSER, MARY ALLEN, LOUISA BRADLEY of DUBUQUE & 3 SISTERS, LUCINDA

TITTLE, NANCY GUINN & PHOEBE HUMBIRD of NEW MARKET, TN.(MARGARET TITTLE, married ADOLPH BESSER, their dau: IRENE, married THOMAS W. SAYLOR & had 6 children. Her name was MARGARET EMALINE TITTLE. Some time after 1916, they moved to Tenn., for a year or so. For a couple of years after they cam back to Iowa, their accent made it hard to understand what they were saying. AUNT SARAH was a Rotund, Jolly person, while "Hank" would be pressed to weigh 150 lbs soak & wet. My memories of them are of a happy family, quick to laughter. There were islands along the river in RIVER in DUBUQUE. On one of these they built a cabin, raised Chicken & hogs & cultivated a large garden. After the dam was built, they moved to the vicinity of the other relatives in town. Their dau; "LIZZY" played the UKULELE, which she attempted to teach me, when i was a kid. (Years later, I managed to teach myself. Never a family of wealth, they never the less, seemed to be happy with their lot in life. Many a "TALL TALE", circulating among us "HATCH-A-CHICKENS", was attributed to the TITTLES. One such fable goes: HANK; "I was taking up a trot line up in "Buenie" one day. A huge Catfish surfaced & looked me in the eye & spit in my face, and dived to the bottom of the river. I tried to pull him in from the shore. He wouldn't budge. I tied the line to a gig tree. I thought I'd bring him in with a little finesse. I had this prize pair of mules, the best in the county, harnessing them to that line, I got them pulling & straining. That darn fish surfaced again, looked at them mules, and took off down the river. I never seen those mules again.

WILLIAM #1<sup>1</sup>) was born July 05, 1885 in Turkey River, Iowa, and died July 29, 1947 in Dubuque, Iowa. He married (1) FANNY AVIS CORNWELL December 28, 1911 in Clayton CO, Iowa, daughter of MARY E. (???). She was born July 1885 in Iowa. He married (2) BERTHA MATILDA "TINY" DEBORD March 27, 1919 in Dubuque, Iowa, daughter of JOHN DEBORD and MARY BENNETT. She was born March 25, 1900 in Galena, Ill., and died August 29, 1965 in Dubuque, Iowa.

Notes for WESLEY "BESS" #2 ATCHISON:

Uncle "BESS", was a muscular, Strong individual, with one strap of his overalls hanging loose. He'd strut into a tavern, loading himself with brew. He'd reach a time in the night where he needed a bit of physical activity. Standing on a table, he would commence singing: "Show me the man who can throw me out, and I'll shows him that I'm his man." Soon, some other loaded gent would take up the challenge. Out the door they'd go, most patrons following. Twenty or so minutes of pounding on one another sufficed and arm in arm they'd Stroll back in the joint to refresh their thirst.

He was fisherman hunter trapper, clammer & woodsman. He once contracted to cut a stand of timber in a place called "Rattle Snake Woods" by Elizabeth, Ill. His bros Ed & Fieldon & my family were all living in tents, while the trees were being harvested. An Experience I will never forget.

He kept us from starving at times during the depression, when he'd bring us Musk Rat, Ground Hog, Squirrel, Birds & even a Fox or two, which we ate with relish. Of course his Supply of fish was endless. When some Big Shot at the Packing Company needed a guide for fishing, Bess was their choice. He was called "Red" by some: his hair just about the same pinkish color of mine.

He lived in Ill. quite a few years, occasionally we'd have him in DUBUQUE.

His son: JOHN WESLEY, called "WESS", was short like his mother. but built like CHARLES ATLAS. He called on the draft board so often, they finally waved the height limits, allowing him to serve during WW11. His accidental electrocution after WW11 seemed to take the fizz out of his dad, who died 1 month after his son. He was an unforgettable uncle, full of life & song. His wife, with a name like BERTHA MATILDA, suggesting a woman strong & robust, was the opposite. Called "TINY", she was maybe 4 FEET, 4 INCHES tall. her shoes were usually a child's., her feet being too small for regular women's shoe sizes. Most TEN YEAR OLDS looked down at her. Feisty, full of get up & go, she was always a bundle of activity. I remember going to see them in East Dubuque, Ill. She had a huge Buffalo fish un the oven. Made with dressing, the smell is in my nostrils as it was as we approached their house that day. A lovable little bright spot in my childhood was she.

She married (2) FLOYD CORWIN BENNETT May 26, 1923 in Dubuque, Iowa, son of CHARLES BENNETT and EDITH MUNN (BALLOU). He was born July 30, 1888 in Sandwich, DeKalb Co, Ill., and died April 27, 1970 in Dubuque, Iowa.

Notes for EFFIE MAY ATCHISON:

I would be lax if I did not give an account of the one ATCHISON I cared about more than anyone.

My mother: "Effie May", had a hint of red in her hair. She had 17 pregnancies, 11 children surviving birth. Plagued by Diabetes in later years, she seemed to defy it's affect. She would allow no one to give her the insulin shot but my wife Violet. We worried when she cut herself, but she healed quickly.

There was no wrong her kids could do, which would take away her love. Five stars graced her front window during ww1, one turned to gold when brother DICK was killed in Belgium just before the end of the War in Europe. two of us were in the infantry, two in the tank corps, and I in the Army Air Force. All of us in Europe. The oldest brother had groomed mules in the army before WW11.

She taught me hundreds of songs, sung by the ATCHISONS for years. She played the piano. She'd sing & I'd harmonize with her. My children loved to swing with her in the back yard, as she Sang songs to them.

As a kid, I used to brush her hair. My kids did it, too. Her first husband was 22 years older than she at marriage. They farmed by Hopkinton, Iowa, then by North Buena Vista, Iowa and in Cassville, Wisc.. They moved to DUBUQUE, about 1916. The last three children were by FLOYD CORWIN BENNETT.

I used to think I could not live without her. She was a dear, beloved person, not given to violence nor condoning it..

She would sit on her front porch, asking every child or grandchild to take her fishing. Her long cane pole would whoosh through the air slapping the water with force. The fish bit anyway.

St Peter must have saved a spot by the river of life for her.

When she died, part of me went with her. Obit.= Telegraph Herald, 9/23/1962, died at Finley HOSP., Buried in Linwood Cemetery, Dubuque, Iowa, She is in the 1900 census w/ her parents in North Buena Vista, Clayton Co., Iowa.

Notes for JAMES ALFRED "JIM" HAIGH:

1900 Census in North Buena Vista, Clayton CO, IA . My mother had a parchment document signed by President Millard Fillmore, granting land to one of the HAIGH forefathers. A lawyer once told her the land was the town of HOPKINTON, IA, and that it would be costly to pursue legally , but most of HOPKINTON was in that tract of land. My oldest brother JAMES, Jr, got snokkered & sold it to someone for a bit of drinking money just after WW11. We could never trace it down. Just that president's signature would have made it valuable.

They lived at E.17th St, when Jim died. In City Directory 1922, WKS A Y McDonald CO. The fumes from the Brass Foundry ruined his lungs. b 9/1866 Deleware CO, IA, d 7/4/1922 Dubuque, IA..

He married CHRISTINA MARGRET "BABE" HASER January 10, 1923 in Dubuque, Iowa, daughter of FRANK HASER and ELIZABETH STOHLMEYER. She was born May 04, 1903 in Potosi, Wisc., and died July 27, 1994 in Dubuque, Iowa.

Notes for FIELDON "PEANUTS" #1 ATCHISON:

Here was an uncle about whom stories abound. He used baking soda in substantial quantities to squelch the burning in his stomach. A barber by trade, he'd learned that trade in the Great Lakes Navel training station in WW1. He somehow got ruptured there.. He had a number of shops where he worked his tonsorial magic. Some were prestigious establishments. At times he had a pool table to bolster his income, with his "dumb farmer" antics were plied on unsuspecting suckers caught by this master of the art. One such shop had a back room, where a card table attracted bumkins to his wizardry with the paste boards.

A constant patter of mind boggling stories kept chumps enthralled with his supposed exploits. Minus their loot, they exited thinking they'd been privileged to enjoy his presence. Sandwiches and ice cream kept his till ringing happily.

Each spring, he would build a row boat in his side yard. Tar and strips of cloth sealed the gaps in the floor boards. Purchased side boards and dump-salvaged scrap lumber were the makings of his conveyance. To get the boat to the water, he once cut off the top of his car to facilitate it's transport. Another time, he smashed the rear window and jammed the boat inside. Gifted with a silver tongue, he mesmerized all who hung on his words anxious to be entertained by his chatter.

A hard ball pitcher, with a curve that almost circled the batter, he played in the city leagues. his rupture would only allow him to pitch for about three innings, before bulging out of his abdomen.

He was taking up his trot lines, when a huge catfish dived pulling fifty or more hooks through his hand. He healed as good as ever. He sold worms to local fishermen, A cellar wind well served as a worm bed. Aunt "Babe" counted the night crawlers into a tin can for the customers. Aunt "Babe" was kind and pleasant to be around. She is remembered wit Severance.

Each of their offspring had a nick name. Lover, Man, Bubbles, etc. He was "Peanuts", she was "Babe". He hosted a daily poker game, where a grand bet could amount to three cents. My mother, uncle Ed and others passed those depression years making a quarter last all day. Aunt Babe never participated.

An uncle and aunt who left only pleasant memories in my mind.

Redfield Review, 8/6/1920: "Perry & Helen quit high school & got married in 1912. They lived on a farm outside of Redfield, WI next to East Linn Cemetery. Polly, Neal and Frances were born there. Around 1819, they moved to Medford, WI by train where Jack was born. They built and lived in a log cabin the first winter they were there. The kids slept upstairs and one bedroom downstairs. You had to pull down a ladder to get upstairs.. After the house was built, they were much more comfortable in a two-story house. Grandma worked for a logging company one winter. They had a dairy farm, with chickens and pigs. Mom tells stories of skiing on the hill across from school in thr winter time. The grade school: "Frye Country School" was over 3 miles away so the kids would get a ride in a car with Carol Harden, Arno Harden's son on some days.. They lived about 7 miles from Medford. John & Christena lived on the farm next to them, and Charles & Inez just down from that. The Harpers lived west of town.
